GREATER NOIDA

*Amidst the greenery
of 18 hole Greg Norman
designed Signature Golf Course...*

An aerial photograph of a lush green golf course. In the foreground, a line of young trees stands on a grassy slope. A winding path or fairway cuts through the middle ground. A small, irregularly shaped lake or pond is situated in the center, surrounded by more trees. In the background, a cluster of modern, multi-story residential buildings with red-tiled roofs is visible, nestled among more trees. The sky is a clear, pale blue with some light, wispy clouds. A large, semi-transparent circular graphic is overlaid on the left side of the image, partially obscuring the golf course and the text.

Location

A symbol of modern day town planning with ISO 9001 & ISO 14001 Certification, Greater Noida is the fastest growing townships in the National Capital Region, with international standard infrastructure ensuring quality of life, both at home and work. It is the only city in North India with privatised power distribution & uninterrupted power supply, underground cabling for electricity, water, sewer & drainage services, optic fibre cable networking & an extensive network of wide roads, flyovers, highways with plans for metro rail connectivity from Delhi region.

Jaypee Greens is located in the heart of Greater Noida, thereby enjoying good connectivity and locational advantage with respect to the city master plan. Residential, commercial, institutional, recreational and related facilities have been simultaneously developed in a planned manner to make Greater Noida a prestigious address.

The recent plans & approvals by the Govt. of India for hosting the Commonwealth Games, 2010, has further enhanced the pace of development in the form of additional world class infrastructure to support the cause.

The drive to Jaypee Greens via the Expressway is 25 minutes from New Friends Colony, 35 minutes from South Extn., 50 minutes from Vasant Vihar, 50 minutes from Connaught Place.

Location

Transforming challenges into opportunities has been the hallmark of the Jaypee Group, ever since its inception four decades ago. The group is a well diversified infrastructure conglomerate with a turnover of over Rs.5000 Crore, and has a formidable presence in engineering & construction along with interests in the power, cement, hospitality and real estate sectors.

Engineering & Construction

The engineering and construction wing of the Group is an acknowledged leader in the construction of multi-purpose river valley and hydropower projects and has the unique distinction of completing various projects spread over six states in India and neighbouring country Bhutan in different capacities in the 10th five year plan to provide 7880mw of hydropower to the nation. The company has to its credit completion of some of the most challenging projects in the country in the last decade.

Cement

The Group entered the cement business with 1 mtpa capacity cement plant in 1986 and today has become the 3rd largest cement producer in the country and largest cement producer in the state of Uttar Pradesh. Its cement division currently operates modern, computerized process control cement plants with an aggregate capacity of 9.0 mtpa. The company is in the midst of capacity expansion of its cement business in northern, central and western parts of the country and is slated to be a 25 mtpa cement producer by the year 2010 and 32.8 mtpa by 2011 with captive thermal power plants totaling 300 mw.

Post expansion the group will have 12 integrated cement plants supported by 300 mw of captive thermal power, 9 split location plants, 11 railway sidings and one jetty giving the group a pan India presence in cement sector.

Power

Jaypee Group, an integrated power player in the country after having established a strong presence in the hydro power sector has initiated its entry into thermal power generation, power transmission and also forayed into wind power.

The Group with its 300 mw Baspa-II Hydropower Station in Himachal Pradesh and 400 mw Vishnu Prayag Power Station in Uttarakhand is the largest private sector hydropower producer. The group is in the process of implementing 2 x 660 mw pit head based Nigrie Thermal Power Plant in district Sidhi of MP, 1000 mw Karcham-Wangtoo in Himachal Pradesh, 2025 mw Lower Siang and 500 mw Hirong in Arunachal Pradesh, 270 mw Umngot and 450 mw Kynshi (Stage-II) hydro-power projects in Meghalaya and 5 x 250 mw coal based thermal power plant at Bina in Madhya Pradesh. On commissioning of these projects, the Group will have total power generation capacity of over 7490 mw.

Hospitality

The Group owns and operates four 5- star hotels, two in the national capital, New Delhi and one each in Agra and Mussorrie and also a five star golf resort at Greater Noida. The properties have a total capacity of 675 rooms.

Real Estate and Expressways

The Group has pioneered the development of golf-centric real estate in India. Its first development Jaypee Greens, Greater Noida is a golf centric community with 90% area under green cover. Built on 452 acres of land, the project offers golf villas, luxurious apartments and penthouses. The project also has an 18 hole Greg Norman Golf Course along with a Integrated Sports Club, 60 acre Nature Reserve, an upcoming Resort & Spa Boutique hotel, Town Centre etc.

Groups' second real estate project- Jaypee Greens Noida is an epitome of extraordinary living. Spread over 1162 acres, it offers wide range of residences from independent homes to high-rise apartments and penthouses with recreational and entertainment centers, excellent education system and international standard health care facilities.

The Group is currently implementing 165 km, Noida to Agra, 6/8 lane Yamuna Expressway project. Along the expressway a ribbon development of 2500 hectares of land at five or more locations will also be developed for commercial, industrial, institutional, residential and amusement purposes.

The Group has also bagged the contract to construct 1047 km long eight lane Ganga Expressway along the left bank of river Ganga from Greater Noida to Ballia. This is by far the largest infrastructure project in the country. On completion of this expressway, great potential of agro-based industry, infrastructure facilities and development of new towns would take place. The Group will also have the right of development of an estimated 30,000 acres of land along the expressway.

The company plans to develop such installations to international standards with state of the art technology.

Social Commitments

For over 3 decades now Jaypee Group has supported the socio-economic development of the local environment in which they operate and ensure that the economically and educationally challenged strata of the work surroundings are also benefited from the Group's growth by providing education, medical and other facilities for local development.

The Group believes that providing quality education is the best service that an organisation can provide to society. The Group supports various educational initiatives at all levels of the learning curve through Jaiprakash Sewa Sansthan (JSS), a not-for- profit trust. Today with 16 schools, 2 ITI's and 3 universities in UP, MP and HP, the Jaypee Education System is touching the lives of over 20,000 students and has an objective to equip at least 1 lac students with the power of education by 2013.
