The Legacy that promises to live on...

Legacy Group was founded by experts in the construction business. It is a company whose strengths lie in identifying the right people and the right opportunities. Our focus, determination, combined knowledge and skills have helped mould and nurture the company. Drawing from our own experiences we have sought to ideate, create and design properties that understand the requirements of its occupants. Our projects, Legacy Casero and Legacy Dimora are both testaments to this.

Perfectionists by nature, we at Legacy Group believe in quality living. Our buildings are designed for fulfilling your requirements, meeting your needs and offering you the best there is in construction. We aim to do this with all our projects and that too, always with a sense of flair, style and unforgettable luxury.
