The sweet melody of “HIGH RETURNS”!

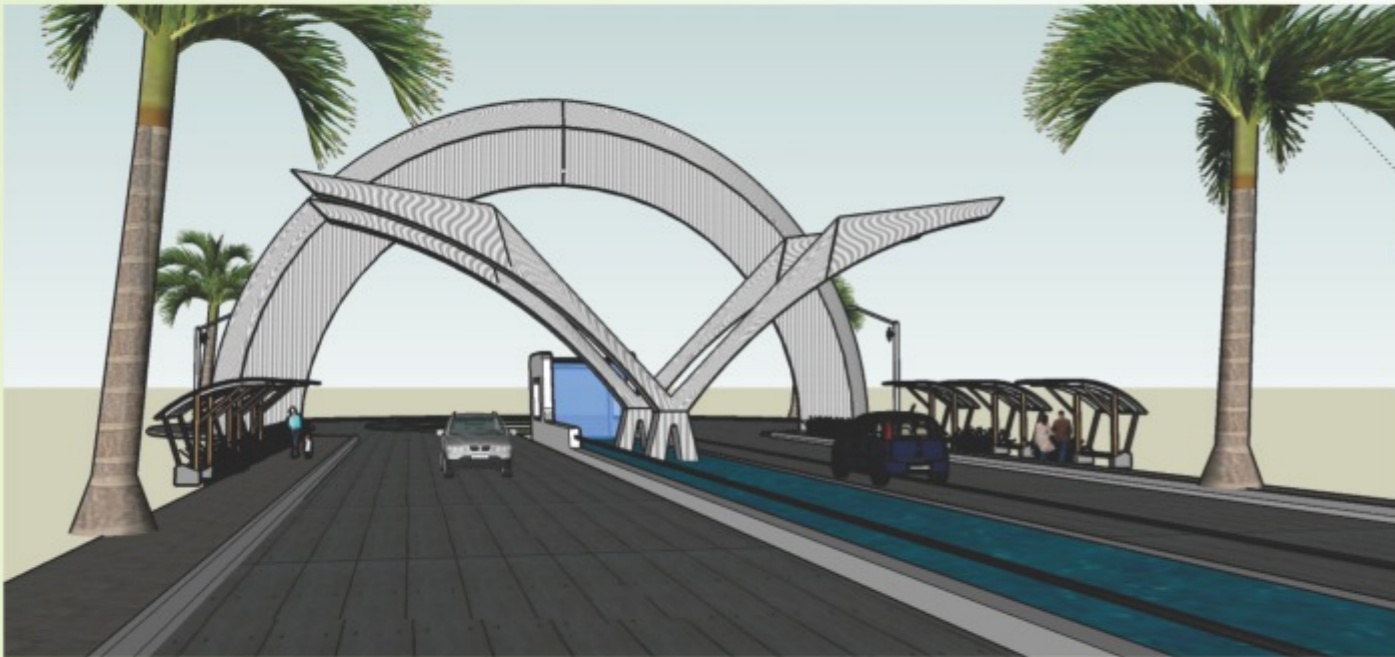

110 acres Mega Township of Developed
Farm House Plots & Proposed N.A. Plots

Exchange the concrete jungle, for a natural one. Escape from the hustle and pollution of the urban jungle to forest of unspoiled green; to a home that matches the serenity of its lovely surroundings with the promise of flourishing returns.

- Waterfalls
- Indigenous tree plantations
- Herbal Gardens
- Panoramic vistas stretching up to Mulshi Dam

“Diverse. Rare. Precious. Discover some of the world's most unique flora and fauna found only in the Western Ghats - a biodiversity hotspot with over 5,000 flowering plants and over 700 animal species. At least 325 globally threatened species occur here. Covered by dense forests, Bolzano-Bozen gives you a chance to see these unusual species up close. Experience nature in all it's glory!”

110 acres Mega Township of Developed Farm House Plots & Proposed N.A. Plots
