

Location & Connectivity:

Ranjeet Developers:

Established in 1999, the core expertise of Ranjeet Developers is property development. We are keen on developing projects at upcoming locations that offer excellent connectivity and the potential to become promising markets. Through distinct and innovative projects offerings, we have created a mark in the East and South-Eastern region of Pune. Having promoted over 4 million sq.ft. of land in and around Pune, we have played a major role in the development of areas like Kondhwa, Undri, Urali Kanchan and Khed-Shivapur.
