1 SQ. M = 10.764 SQ. FT.

Entrance

Three entrance & exit points give convenient access to the residents.

2 Schools

Well-equipped schools with ample open space and facilities.

The Parks

Aesthetically designed gardens for all ages.

Internal Courtyards

Internal courtyards linked with grand garden form green nodes which further merge into the central green space with dynamic dimensional landscape. The courtyards act as a transition space between the built form and green zone.

Internal Road Network

Internal road all along the periphery forms a unifying feature which integrates the built form, the central green, the education and commercial zones.

Club House

- Yoga and Health Centre • Swimming Pool
- Gymnasium • Creche / Day Care • Mini Theatre
- Music and Dance Room • Squash Courts 2 Nos.
- Billiards & Pool • Table Tennis Hall
- Indoor Putting Golf • Library • Cafeteria
- Indoor Badminton Court

Outdoor Games

- Skating Ring 1 No. • Tennis Court 2 Nos.
- Volley Ball Court 1 No. • Basket Ball Court 1 No.

Cycling Track/Pedestrian Pathway

A cycling track/pedestrian walkway all along ensures safe and convenient drive to the younger generation. Between the internal road and the green space the cycling track forms a rhythmic feature.

The Vast Central Green Space

Grand garden which integrates the whole complex forming a harmonising central space. Also forms the central visual axis along which the built form is placed. An eco valley where people and nature meet.

Arrival Plaza

Wide arrival plazas act as private courtyards and grand entrance space to each cluster.

Commercial Plaza

A hi-tech commercial plaza at the junction forms an economic node and an integrating feature between the outside world and the complex. For a privileged few it also will act as an office near to home.

The images are imaginary and the specifications & details mentioned in this brochure are tentative and subject to change at the sole discretion of the developer and/or the architect.

The legendary name renowned for its world-class real estate development, SHRI Group had began its journey way back in 1931. Guided by the philosophy of collective growth, SHRI Group has been shaping landscapes and lives in Mathura region by not just building homes, but by developing value-added, master-planned communities.

Some of the glorious real estate projects by the Group include residential projects, shopping malls, luxurious cottages, farm houses, ultra modern retail destinations, high-end concept townships, highway plazas and many more.

Today, SHRI Group is charting a new course of growth through a two-pronged strategy of geographical expansion and diversification. Replicating its success in Mathura, the Group is extending its expertise in creating high-end communities in the NCR as well.

And the journey is endless as the final destination is prosperity for all.
