

Lifestyle Living in Crystal Dew

The foundation of Crystal Dew is constructed on a vast property of 2.5 acres. This gives you ample space in the ground level and also presents a wide open play area for children.

Well, the busy life of today doesn't promise you one thing and that is cleaner, greener & peaceful residential areas with all the modern amenities, proximity to airports & stations. Crystal Dew offers you everything and even beyond it, a world where you would love to come back after a hectic day at work. A place where your kids would enjoy and live their life at the fullest. Don't miss the chance and make the dream world all yours.

A lifestyle, a world of your own with the perfect location, well created in the heart of the city.

A luxurious residential project that is the perfect equation of calm, tranquil surroundings & most luxurious modern amenities is coming your way. With beautiful architecture & well established green & clean environment, this place becomes the dream place to be in. With close proximities to airport & the most posh areas of Bangalore, it offers the perfect urban lifestyle to the residents.
