LAYOUT PLAN

OVERVIEW

Bangalore is fast developing into a world class city with state-of-the-art infrastructure to meet the growing needs of discerning citizens, also the IT & BT Hub of the country with tremendous development to match.

The new developments taking place around the areas of Electronic city, Chandapura surrounded by various Integrated Mega Townships, 5 Star hotels, STRR and Inter Township Ring Road and 830 acres of Karnataka Housing Board offer excellent opportunities for business and residence. This new skyline is going to be far different from the crowds, pollution, traffic jams and unbearable noise levels of present day Bangalore.

It is time to choose the golden opportunity to live in the green, peaceful and tranquil neighbourhood, where fresh air and abundant water and the blissful silence of a countryside environment invites your family to live in comfort.

SURYA CITY PHASE-II is a DC converted residential layout with 2 acres with 45 sites. This is one of the best and prime property in south Bangalore inside KHB Surya City Phase-2. More than 70% of the development has been completed. It consists of all modern amenities for joyful living and best property for investment.
