Dust out that guitar, pull out those trekking shoes, let that long forgotten poet come back, doodle away your day, let the chirping of birds wake you up and the rustling of pages be the loudest noise around...

*INHALE THE AURA!*

The most scenic of our projects, Apranje Aura has the majestic Nandi Hills as its backdrop and nature at her best as a constant companion. It is the future haven for the city fatigued, or a holiday hideout to discover life in one's living.
