BANDRA

CONFLUENCE OF COSMOPOLITAN LIFESTYLE & HERITAGE

'Queen of the Suburbs', that's how the suburb of Bandra is described, and rightly so! Everyone loves this suburb. It is the symbol of Mumbai's cosmopolitan lifestyle. From the energetic nightlife, the seafronts of Bandstand and Carters Road, the blessings of Mount Mary, the grandness of Sea Link, the fresh sea breeze at Joggers Park and overall the celebrities, we are in awe of everything that Bandra has to offer. There's so much happening in Bandra, so much life, so much excitement. It's difficult to comprehend why just one suburb, in this huge a megapolis, has been blessed with so much.
