For the bustling city of Bangalore, we present an escape to the calm of nature. **SLN Meadows** is a compact residential community located off Kanakapura Main Road, which is being tipped to be hot property in the days to come, thanks to the numerous infrastructure projects coming up alongside this road. The layout is just a few minute's drive from the proposed **ISCKON Theme Park, a Disneyland like Fantasy Park**, which will be the heart of path breaking changes & also aggrandize the value of Bangalore South in the near future.

SLN Meadows is in close proximity to Bannerghatta Road and Electronic City over the **NICE corridor**, which ensures you spend less time negotiating traffic. Schools and Colleges of international repute like Valley school, B.S. International School, Kumaran's, Dayanada Sagar Institute of Technology etc., are also in close vicinity.

Come live in the serenity of the meadows.
