About us

PLAMA Developers is an integrated real estate developer focused on premium developments across South India with its head office in Bangalore. The company aspires to be among South India's top real estate companies. **PLAMA** has completed several landmark projects and is currently developing significant projects across South India. **PLAMA** brand reflects trade attributes of impeccable professionalism and benchmark of quality. Every individual who is a part of **PLAMA** strives to ensure quality in the areas of design, project management, execution and infrastructure development. We aim to build inspirational development for our customers with distinctive design, quality construction and finishing. Everything we do is aimed at delighting our customers and ensuring their loyalty over the long term, surpassing customer's expectations.

PLAMA group currently manages a portfolio spanning across residential, office space, retail, hospitality and social infrastructure in South India.

PLAMA pays as much attention to what the resident will not see as to the exteriors that they will enjoy. From the concrete in the foundation to the wiring hidden in the walls every component meets executive specifications before the property is released. Although one may never see these time consuming process, they see the results-homes that are not only beautiful but safe, quite and energy efficient.

PLAMA's core values of Transparency, Clear Titles and Ethical Business Practices has set the company apart. A strict adherence to statutory compliance has earned **PLAMA** admiration from all its delighted customers.

PLAMA Grande

Contemporary Lifestyle

Yesterday belonged to small cramped houses which could only be accessed through narrow by lanes. Yesterday belonged to crowds and noise, traffic congestion at smoke. But that was yesterday.

The Reality is changing in cities today lush green habitat are coming alive and people are willing to commute an extra mile to a superior lifestyle. Home no longer means four walls and a roof it is about vast open space and living close to nature and greenery is the place of a club house, gym and swimming pool and a range of other leisure lifestyle.

Exotic Environment.

The site itself located amidst lush green environment with a panoramic view of swaying Palms the green. The entire project is on a 2 acres of landscape spaces with leisure action make it great life style.
