**A home
that is
simply
BANG ON!**

'All that I want is everything' is a favourite quote for today's young brigade. But when it comes to searching a home of your dreams, you may not get the one that offers you all that you desire. If it fits in budget, location might not be convenient. And If the size is perfect, amenities may not be up to the mark. Some adjustment has to be done. The situation suggests a compromise...

Says who?

Welcome to Paranjape Trident Towers! Homes that are simply 'Bang On' . Be it Size, ambience, location, amenities and even price... No need for any adjustments and no question of compromise at all.

*Bang On **STYLE***

You aspire for a modern lifestyle. At present you may not need a mansion but your home must have a style quotient. We understand.

That's why, we have created Paranjape Trident Towers. Homes with cool looks, contemporary style and an air of casual elegance, so that you'll love to invite your friends over and over again!

Being close to Xion Mall, you are amidst the happening, full-of-life ambience all the time. In a nutshell, a vibrant and zestful life!

This perspective image may not be to the scale or may not represent actual façade/elevation. The details of windows, paints, elevation features, landscaping, ground development, trees etc. in this perspective are an artist's impression and would be different to actual construction of building and development. The viewers affirm that he/she has not taken his/her decision of purchasing/booking by viewing this perspective. The company is not responsible for the action of the viewer's booking/purchasing a unit relying on this perspective.

Bang on LOCATION

First thing first, it is strategically located in Wakad, PCMC on Hinjawadi-Wakad link road. And being in the neighbourhood of the Rajiv Gandhi IT Park, it simply translates into spending more time with the loved ones and less on road!

Also, it's a cake walk when it comes to getting out of Hinjawadi. It helps you keep traffic snarls at bay and zip directly to Dange Chowk smoothly.

Bang on SIZE

It's something that relates to the comfort of a home. It is the space for your mind and everything that belongs to you. Here optimum is the word, since excess of space may become a pain and the crunch of it too, is a big NO.
