THE MONTAGE OF CONNECTIVITY

Life makes sense when essential aspects...that form the core of our routine come together in harmony. Accessibility, technology, entertainment, easy commute, access to career and educational opportunities and more. These elements form the montage of our life. When each of these connect, everything else falls in place. Hence, it's necessary that every decision is taken bearing them in mind.

ENHANCING LIVES GLOBALLY

For over 30 years, the Sanjay Ghodawat Group has come a long way. The road to the future has been gratifying. The visionary approach entailed by the Group has facilitated them in diversifying and growing at an incredible pace.

The Sanjay Ghodawat Group received a head start in exploiting future possibilities due to its groundbreaking diversification strategy.

Furthermore, the location strategy chalked by the Group ensured that it won consumer acceptance across verticals. Yet, something more was required to retain consumer confidence. And so, Mr. Sanjay Ghodawat foresaw the importance of investing in technology to upgrade quality to international standards, and won several accreditations on the way.

Now, banking on the expertise of Pate Developers in real estate, Sanjay Ghodawat Group decided to collaborate with this experienced firm, and enrich the lives of aspiring residents, through Life Montage.

SUS ROAD. OWNING UP TO THE FUTURE.

Sus Road is a residential and commercial suburb. The greatest highlight for Sus Road is its excellent connectivity to important places and roads. The NH4 and Mumbai-Pune Bypass are very close to this location. The Rajiv Gandhi Infotech Park Hinjewadi that houses several renowned IT firms such as TCS -Tata Consultancy Services, Infosys, Wipro and others, is connected to Sus Road by just a few kilometres.

Apart from the prospects of development and travel connectivity, the location is adequately bundled in greenery and serenity. The hosting of the Commonwealth Youth Games of 2008 saw great amount of development on Sus Road. A wide 6-way road was laid from Pashan to Mumbai-Pune Bypass. To add to these highlights, you'll find the comfort of gardens, entertainment hubs at a distance, grocery markets, education institutions, and more.
