

THE CREATION OF HOUSES

is in one acorn

VILLAGGIO
Making Harmony on Earth

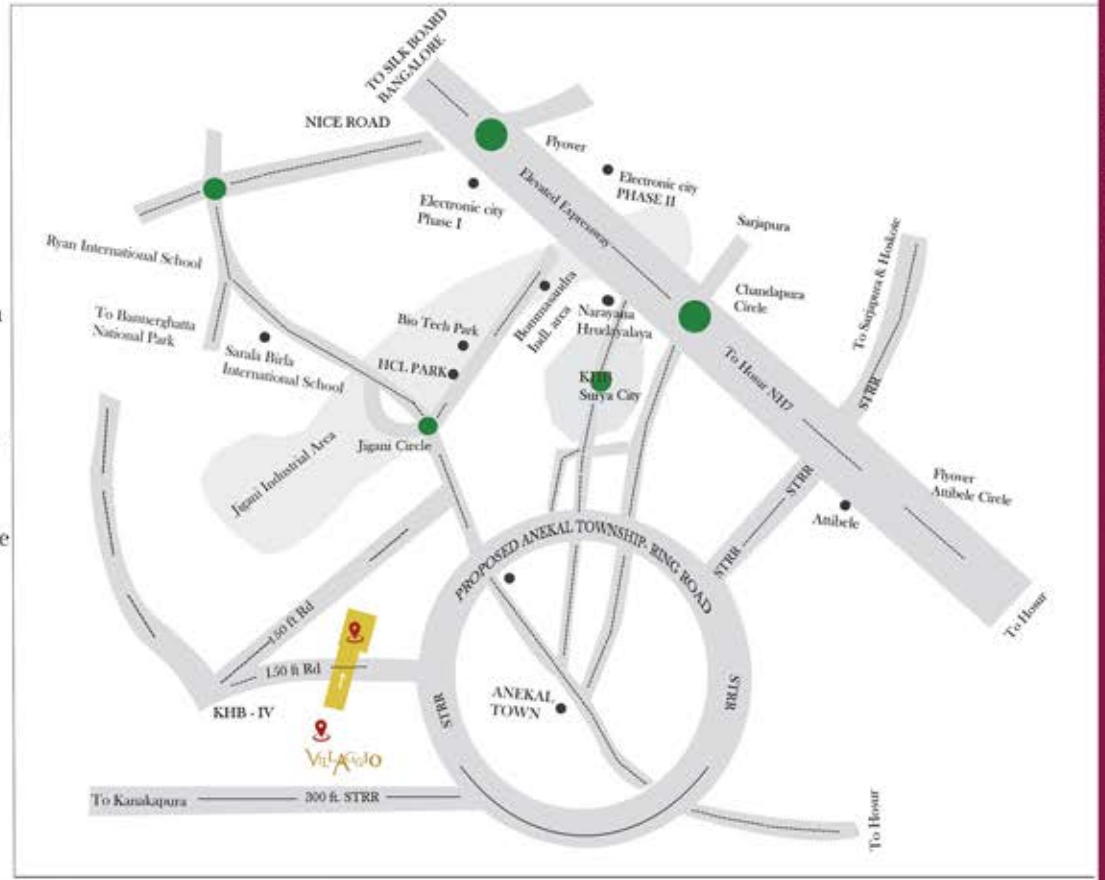

LOCATION HIGHLIGHTS

VILLAGGIO is superbly conceived on the planned 150ft road that connects Jigani Industrial Area to Bangalore's 300ft Satellite Township Ring Road (STRR) around Anekal.

This splendid connectivity and positioning gives the location a huge potential of fast growth and development, and hence a compelling Return on your Investment on land.

VILLAGGIO offers residential plots that multiply your future returns on wealth & bring a great asset to your family with choices of diverse sizes of plots which exude visual warmth and elegance. The immaculately designed layout offers valuable amenities, topmost specifications and landscaping.

WHAT MAKES HARMONY ON EARTH...

Acquire solitude, as big as your need, and the openness of a future ecological villa home plot which epitomizes the best of yields.

Enter a world where you feel welcomed even before you drive in to your land with green vistas, natural ponds and landscapes that envelope you in warmth, opening into a striking grand entry greeting you at VILLAGGIO - a Residential Villa Plot Project consisting of 203 plots in a vast 14 Acres piece of land in the first phase.

Our Architect has crafted a masterpiece to cater to you in all required measurements.

Plot Sizes: 30 x 40, 30 x 50, 30 x 60

An adjacent LAND MARK that builds value to villaggio 1900 Acres of Project with 25000 Plots From Karnataka Housing Board, Phase 4.
