Sizzle Gold Coast:

Your search for a perfect property ends here. This is it!

An iconic residential project which is second to none; this mega residential town located next to a town is an address which you can be proud of. Owning a plot in Sizzle Gold Coast is a golden opportunity that you wouldn't want to miss.

It is one of the biggest townships in the surroundings and the largest from Sizzle Properties till date.

Sizzle Gold Coast is being developed in phases with an initial area of close to 18 + acres of prime even land located off the Hoskote – Malur State Highway. It is just 15 minutes drive from Old Madras Road / National Highway / Hoskote.

Located in the booming part of East Bangalore, it is off Hoskote and adjacent to Malur Town. It is easily accessible via the Old Madras Road (Bangalore – Chennai National Highway) or from Whitefield (ITPL).

It is nestled in a strategic place with closeness to all the developments going on in this area. Being in proximity to the Malur Industrial Area, Narsapura Industrial Area and other Special Economic Zones (SEZ's) this place is a gold mine for investment. With its bustling neighbourhood and plenty of amenities in the surroundings, this is a perfect setting for your home too.

Planning for the important occasions in your life requires you to make proper choices. Come and own a plot in Sizzle Gold Coast to build your home or to hold it as your investment. Your decision of buying a property in Sizzle Gold Coast will deliver excellent returns and will give you immense happiness.

If you are planning for your family's future, this is the best place to invest. This investment will financially secure your future and your family's.

Experience the Living.

Come and experience the joy of community living. In an era where we do not get the opportunity to know our neighbours, where our children have no place to play outdoors and where your pets are confined to your home, we provide you the perfect solution that you crave.

At Sizzle Gold Coast, the project is filled with plenty of open spaces to mingle with one and all in the community. The lush green parks provide a tranquil atmosphere to soothe your senses. The children will have plenty of activities to do in our dedicated play areas while you rejoice in their childhood.

Sizzle Gold Coast consists of plots with various measurements to suit your requirement and budget. Our goal is to provide you with quality, choice, and the finest living experience with a value for your money.

This project will appeal to diverse group of residents with varied lifestyle needs and economic planning.
