the only luxury that everyone can afford!

Red Bricks Village is a smart, sophisticated apartment complex that also happens to be really affordable! Our low-cost but high-quality apartments are located at Silver Gate, Kulshekar just 700 mts from NH-13 (NH-169) Mangalore. Its spread across 7.42 acres that includes 7 phases of housing with 3.14 acres left for roads, civic amenities and greenery.

You will love it here! Kulshekar in the past couple of years has been steadily developing with many residential and lifestyle projects, quality infrastructure, recreational and entertainment options. It is close to upcoming Lotus Mall, picnic spots like Nisarga dhama, Pillikula Zoo and an esteemed Golf club. Also excellent educational institutions like Cambridge School, Presidency School, Sacred Hearts' School and St. Joseph Engineering College are in close proximity. A quiet town that's full of life – you have to experience the joys of staying in Red Bricks Village!
