

If Location is everything.... then Esther Lake Front is a sure winner !!!

Esther Lakefront is a gated community, located just 5.5 kms from outer ring road and 250 meters from the Proposed Peripheral Ring road and surrounded by projects like Shoba City, Mantri Web City, Bharatiya City and others.

Esther Lakefront is a DC Converted BBMP A Khatha project with all amenities. The

Best part of Esther Lakefront is that it overlooks a 14 acre water-body which is shortlisted by the lake development Authority to be developed into a beautiful lake with the walkway all around the Lake.

Esther Lakefront has excellent ground water sources and with over 250 trees being planted, will be a Green paradise in that area.
