

The World has switched to comfort thinking.

Why not Switch to comfort living?

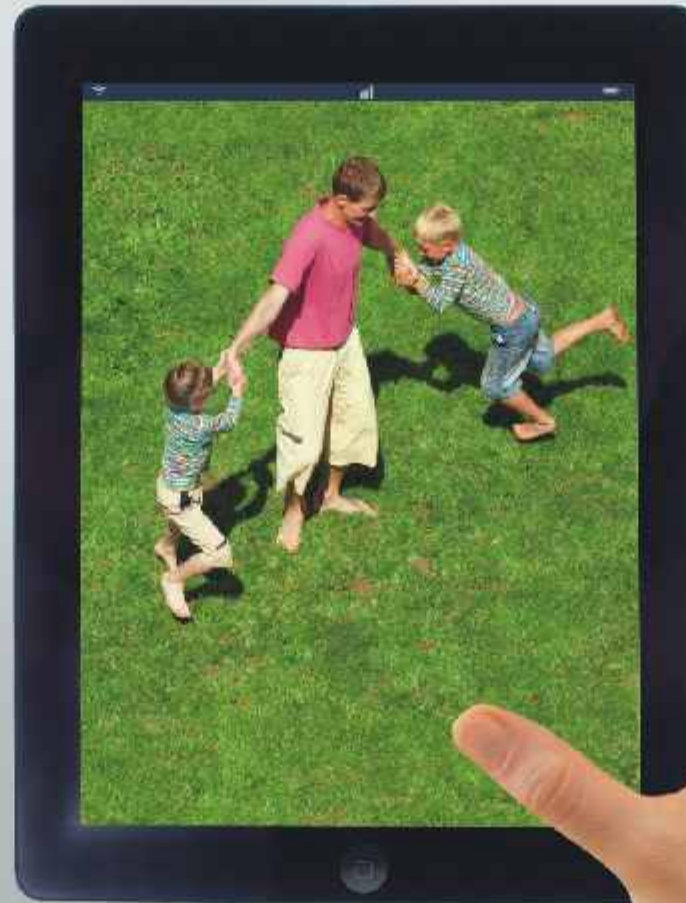

From the click of a mouse to the touch of a screen... Everyday technology is fast changing and re-shaping the world we live in. That's why today the distance between us and the endless possibilities of life is really very little, and the journey, relaxed.

With your home at Hari Shrushti it could be even more so. Because be it work, rest or play, at Hari Shrushti every convenience of great living is made available to you, right at your doorstep. So just relax, lay back and see why pampering your existence was never this easy. **Welcome to comfort living.**

Why not free the restless?

Why not walk less and stroll more?

Why not give what your body deserves the most?

Why not work unknowingly?

Rising into the Clouds Hari Shrushti, a signature landmark of exquisitely designed 12 storeyed tower with 5 wings is an ultra modern utopia designed to deliver happiness in every way. Set in a peaceful and pollution-free expanse opposite Vascon IT Park near Indira Nagar, Hari Shrushti is the new symbol of scale, substance and class by Karda Group.

Play. Work. Relax. Everyday.

Karda Constructions prides itself on having re-defined the meaning of the word home in the rapidly developing city of Nashik.

Under the leadership of their Director Naresh Karda, the group has been known for constantly setting new standards, by providing efficient and aesthetically appealing spaces at affordable prices for almost 17 years now.

The term 'Hari,' has become synonymous with the group and its path-breaking constructions that have contributed immensely in revamping Nashik's skyline over the years.
