

STOREY OF TWINS IS IN MAKING...

The chaos of the city can be tiresome. The traffic, weather changes and daunting distance one has to cover after a hectic work schedule prevents crossing paths with peace.

Nevertheless once you enter your home, peace of mind is guaranteed. Capitalising on this sentiment of relaxation, Twin Towers, which promotes peace of mind, owing to its fantastic architectural traits and efficiency. Strategically located in the heart of Nashik, this is an opulent residential project that truly caters to the emperor in you. Lots of space, ideal location, and easy connectivity to all parts of the city, plus its proximity to north flowing river Godavari make this project an attractive one for all.

Besides its nature links, the project is also well connected to a belt of hospital, high street shopping and top school facilities that bolster the proposition of comfort and emergency services with solid ease.

The fact that this young project is within close proximity to the best shopping malls & multiplex in Nashik is a treat for all the frequent shoppers. Twin Towers a flourishing locations as per Vastu.
