CELEBRATED ADDRESS
SAYS IT ALL

Make yourself at home in the city's most celebrated address - Banjara Hills.

It was once the hunting ground for the Nizams and home to many royal members of the Nizam's dynasty. No matter how large the city has grown and spread today, this part is still called the 'best of the best'.

And why not? Banjara Hills is considered as one of the most expensive pincode areas in India, according to The EconomicTimes. The people here belong to an elevated class of their own. The area is also famous for its many star hotels, ritzy restaurants and mega shopping malls. Many lush parks, cultural centres and educational institutions too dot the distinguished district.
