

100 ACRES
URBAN FARMLAND
 MEGA PROJECT

rejuvenating escape
IN THE LAP OF NATURE

Pamena Greens is a beautifully plotted, gated project lined with fragrant and fruit-bearing trees. Located near Chevella, this 100-acre organic farmland has extensive open plots that include the option to grow the choicest of trees from the aromatic and majestic sandalwood to sweet and nutritious fruit trees like mangoes, sapotas, pomegranates, etc. Furnished with first-class amenities - a stunning clubhouse,

swimming pool, children's play area etc., all amid beautified nature, Pamena Greens is not only a pleasant drive from the city but a fun weekend getaway from school and work. Located far from the polluted city and yet blessed with effortless connectivity, Pamena Greens is a prudent investment that promises a complete farming experience for your family while guaranteeing assured returns.

be closer to nature **FOR A HAPPIER TOMORROW**

Imagine spending weekends, breathing fresh air surrounded by nature's abundance, plucking delicious fruits you have grown, and relishing them with your children. Pamena Greens is a sustainable farming project that is well equipped to grow and nurture varieties of fruit trees like the delectable

mango, nutrient-rich guava, immunity boosting pomegranate, energy provider sapota and anti-oxident rich custard apple, along with plantation of the high-demand sandalwood trees. The benefits of sandalwood crops are stupendous.
