The FOUNDATION

The Emami Group

Two visionaries Shri Radhe Shyam Agarwalji & Shri Radhe Shyam Goenkaji started a modest business venture which grew to become the corporate giant it is today.

Founder's Message

As the founders of Emami, we made a commitment to ourselves that the organization will exhibit values that are most important to our customers. Every interaction will be based on quality, transparency, customer-focus and a commitment to delivery. Over the years, this is what has helped us cultivate a mutually beneficial relationship for everyone associated with us.

It is with this commitment that we bring to you the promise of a better future through Emami Realty. We assure you that the same principles of quality and customer service that have made our other business achieve a positive local and global presence, will apply to Emami Realty. Our mission is to deliver residential and commercial projects that are contemporary, global and well appreciated by the end user.

In our journey to create one landmark after another, we have understood time and again the importance of an address. Especially, when it's a business address, it often tells way more about the company even before the visitor has stepped inside. And with our latest offering, we wanted to ensure that the address is as prestigious location-wise, as it is stunning design-wise.

We are proud to present Emami Business Bay, the business address of Kolkata, in the very heart of its commercial district. Eat, work, rejoice, this landmark has been created with all your requirements in mind. Come, walk into the address that says you've arrived.

As the founders of the Group, we extend the Emami promise to you and at the same time, look forward to warmly welcoming you to be a part of Emami Business Bay, Salt Lake.

Best Regards,
Yours sincerely,

R. S. Agarwal & R. S. Goenka
