LOCATION

EXPERIENCE
THE CONVENIENCE
OF BEING CLOSE
TO EVERYTHING

KEY DISTANCES

At a stone's throw from Knowledge City Sector 81-Mohali spread across 350 acres, where ISB (Indian School of Business) & IISER (Indian Institute of Science Education & Research) are operational.

Other major institutes that will be a part of the Knowledge City are :
NABI (National Agri-Food Biotechnology Institute) in 35 acres, Bio-Technology Park in 80 acres, Management Institute in 70 acres

The Site has direct approach from 200 ft. wide International Airport Road on one side & to a bypass on the other side, connecting to major cities like Delhi, Ambala, Patiala, Ludhiana, Kullu Manali & to J&K. It lies in the heart of the city bordering Sectors 67 & 68, both Residential Sectors.

Plaksha University, Amity University, and the HDFC corporate office are also located nearby, adding to the area's prominence.

A CREATOR THAT SETS NO LIMITS IN BUILDING LEGACIES THAT INSPIRE

The shape of our cities reflects our lives and our future. With this belief, Janta Estates and Housing Development Limited, founded in 1995, transformed into Janta Land Promoters Limited (JLPL) in 2003, becoming a leading integrated real estate developer. JLPL has expanded across multiple verticals and recently became Janta Land Promoters Pvt. Ltd.

Since its inception, JLPL has been dedicated to developing residential and commercial sectors with advanced technology, infrastructure, and services in Mohali and other cities in Punjab. As pioneers in infrastructure, the group has developed a 393.35 acres mega township covering Sectors 90, 91, and part of Sector 82 in Mohali.

Building on its success, JLPL recently launched one of the largest integrated green destinations, industrial units, malls, multiplexes, business centers, hotels, healthcare facilities, and residential spaces. JLPL is also the first private entity approved to establish a Super Mega Mixed Use Integrated Industrial Park at Mohali, spanning 511.27 acres across Sector 66-A, 82, and 83.

Notable projects include Falcon View, a world class residential complex with luxury 3BHK+1 and 4BHK+1 apartments & Luxurious Penthouses, and Galaxy Heights, offering 2BHK apartments across 4.12 acres with a clubhouse, swimming pool, and landscaped spaces. Expanding beyond Punjab, JLPL has launched Sanawar Hills in Himachal Pradesh, featuring luxury, independent villas near the renowned Lawrence School, complete with a premium clubhouse.

JLPL also presents Sky Gardens in Sector 66A, Mohali, a 5.98 acres, 2BHK+1 residential project with a dedicated clubhouse and swimming pool, as well as Canal View Enclave, a gated 100-acre community in Ludhiana's sought after Southern Bypass Road area.

Following the success of Galaxy Heights, JLPL Group has launched Galaxy Heights 2, which has already proved to be even more successful. With lavish amenities and top of the art line finishes, these best 2 & 3 BHK luxury flats will make one feel perfectly at home. These 4 spectacular towers will offer a total of 284 units.
