ENTRANCE GATE

AMENITIES

The younger generation display a pioneering spirit in choosing a home. The reasons vary...some want secure investment. Others want to explore life to the hilt without any compromises. Living in the city and craving for freedom is a conflict. If your money is giving the same comfort and more, the out of the box thinking tells you to move to city suburbs and live a life of freedom. "ORANGE NAGRI" gives you the same opportunity to seek new frontiers.
