REDEFINING URBAN LIVING

Location Map

The Dharuhera Advantage.

- The project is within half an hour's drive from the most prominent Industrial zone of North India comprising Bhiwadi, Neemrana, Manesar, Baawal. Industrial units like Hero Motors are within a stone's throw away. The area is a hub of the Auto-ancillary Industry.
- The project is a part of approved Dharuhera Development Plan.
- The surrounding area is well known as Manesar-Baawal Investment Region - MBIR
- Fully laid out highway network - Project strategically located 2.6 kms. from NH-48 (Gurugram-Jaipur Highway)
- The road connecting the project to NH-48 (Delhi-Jaipur National Highway) has also been upgraded to NH-919. The four-laning with service roads development work is in progress and is slated to be completed soon.
- Road infrastructure around the project is getting upgraded in a major way. Besides Dwarka Expressway, the upcoming New Delhi-Mumbai Expressway is likely to be commissioned soon. This shall reduce the traffic on the existing Delhi-Jaipur Highway (NH-48) and travel time from the Kherki-Daula Toll to the site to half an hour as per our assessment.
- Kundli-Manesar-Palwal Highway is within 15 kms., providing quick access to all of North India.
- Rates are very low in Dharuhera compared to plot rates in Rewari, Manesar, New Gurugram, Sonipat. There is huge potential of appreciation.

Designed as a premium development offering a modern lifestyle, this secure residential haven is a self-sustaining community for a way of life that is contemporary yet affordable.
