**What is a CBC?

A Corporate Business Centre is a professionally managed commercial facility that offers end-to-end business infrastructure for short to medium term durations. Clients can choose from a wide range of flexible options that suit their needs. Based on the specific space and infrastructural requirements, clients can take advantage of customized serviced offices.

With our CBC you get a whole lot more than just fully equipped office accommodation, conference rooms or domiciliation facilities – you can also add a wide range of tailor - made professional services. Also suitable for events such as seminars, training sessions, board meetings, sales presentations and others.
