# Kinjal COMPLEX II

Enter into your Dream world .....

Come to HOME, your Dream SPACES, connect yourself with LIFE....

The remarkable project from Kinjal Enterprises, Kinjal Complex II make its mark in Boisar by offering complete lifestyle. The Grand entrance leads to the well planned complex of 20 lac sq.ft. of quietness, amongst, undulating lawns, calming nature, Landscaped gardens & beautifully designed work spaces.

## CHERISH your MIND and BODY

Wide open spaces, centrally located garden, many outdoor amenities are all there in KINJAL COMPLEX to rejuvenate you and your family. An early morning walk or an evening stroll around the sit-outs in centrally located landscaped spaces spreads that positive energy to remove the stress of urban lifestyle. With central garden, light, cross ventilation gives positivity and physical activities like playing foot ball, running, helps in improving stamina & refreshing one's mind.

## Creating Spaces for PEACE and FREEDOM

Dedicated jogging track along the garden assures safety of the senior citizens while the benches gives relief to those who needs a space for gossiping or just to relax and enjoy the greenery around. Sufficient stilt parking takes care of the safety of your vehicle while you relax at you HOME.

Take a stroll in the abundant greenery inside your complex with your toddler. Let your baby take its first stroll in the secure garden in your complex. After a hectic working day a green patch of nature is all you need to relax your mind & soul. Forget your worries and bask in the glory of NATURE.
