Our futuristic vision reflects in our dedication to developing ecosystems for India's changing needs. But our foundation has always been our employees, our customers, and our shareholders. We invest in spearheading innovation through empowerment and optimism, in order to build the foundation of India's future on the legacy of our past. SKA Group is known for its Right Vision and High Professionalism. As developers, we have developed world-class landmark projects for our customers and not only delivered projects but dreams of a lifetime.

# THE FOUNDERS OF TOMORROW'S URBAN LANDSCAPE

## **Mr. Sanjay Sharma**

A seasoned professional with over three decades of experience in construction and engineering. After completing B.Tech and M.Tech from Delhi College of Engineering, Mr. Sharma opted to enhance his managerial skills and pursued MBA from NITIE, Mumbai. He began his career with CPWD and MES and also worked with Indian Railways as Dy. Chief Engineer. After serving in the government sector, he entered the private sector by joining Gaursons India Pvt Ltd as Director (Planning & coordination). Under his leadership, Gaursons completed more than 20 residential projects. Soon he ventured into entrepreneurship and started his projects Skardi Greens at NH24, Ghaziabad, and SKA Green Mansion in Greater Noida West. Starting with SKA Green Mansion and Skardi Greens, we have delivered SKA Greenarch, SKA Metro Ville, and SKA Divya Towers within the stipulated time period and are continuing the same efficiency with our latest SKA Orion with similar vigor. He currently controls and supervises the operations of SKA Group which includes construction, sales, and marketing divisions.

## **Mr. L N Jha**

A dynamic professional and a qualified chartered accountant having experience of more than three decades in banking and financial institutions. Mr. Jha was in professional CA practice for about 16 years. He worked as CFO of Gaursons Group from 2005 till 2016. During his tenure as CFO, Gaursons group emerged as one of the best and most renowned developers of NCR and completed more than 20 projects. Later he started his journey as an entrepreneur with SKA Group. Due to his immense knowledge and experience in accounting and finance, he currently heads finance, accounts, and administration at SKA Group.
