Aim for a home that offers super connectivity

With Mumbai expanding its footprints, Palghar is seeing rapid development. First, it was the Borivali to Dahisar stretch that saw development and appreciation, followed by Vasai and Virar. Palghar – an emerging industrial hub, a popular tourist destination and a major railway hub – is next!

Palghar is well connected to Mumbai, Navi Mumbai & Thane:

- **90 km** from Thane
- **100 km** from Andheri
- **113 km** from Navi Mumbai
- Accessible from the Mumbai-Ahmedabad National Highway (NH 8)
- Shuttle/MEMU/EMU (local train) services connecting to Mumbai's western suburbs
- The proposed quadrupling of railway lines between Virar and Dahanu Road, not to mention, the bullet train connecting Mumbai and Ahmedabad will further strengthen Palghar's connectivity quotient

Palghar is so close to Mumbai, yet so far away from its hustle and bustle of city life.
