

# PLATINUM GREENS

“Platinum Greens” our brand-new township, is based on the European Theme. European Theme basically high-lights the **luxurious, classy and international look.**

We are providing the **miniature of international Statues**, such as Watch Clock Tower, Statue of Liberty, Eiffel Tower.

Moreover, colour theme will be completely white and grey, which gives the feeling of richness and class.

Look of entry gate and community hall is also mesmerizing.

AT VILLAGE :- MEHLA, AJMER ROAD, JAIPUR
