

GROWING BETTER TOGETHER

YOUR DESTINATION TO HAPPINESS

Dream India Group has provided fabulous lifestyle solutions to the city of Hyderabad since its early days. Inspired by the dream and entrepreneurial drive of its founders, Dream India Group has grown exponentially since its inception from 2009 to becoming an important player in Real Estate Industry in Telangana. Dream India Group is recognized as one of the leading and most innovative business organization in the State of Telangana.

We have never hesitated to explore uncharted territory or to be pioneers in new ventures. Today we have stemmed out several branches that include varied fields like Healthcare, Security Services, Import & Export Services and Advertising. Our company philosophy of Trust, Reliability, Affordability and Credibility speaks volumes about our commitment and drive for service excellence.

Our real estate segment represents a dream to build not just homes but great lifestyles. Our completed and ongoing projects have become landmarks of their respective areas and proof of our untiring effort to fulfill our promises. Our Healthcare segment, Iman Healthcare Solutions, accords affordable healthcare solutions by offering revenue cycle management, credentialing services, accreditation and growth strategy to growing healthcare businesses.

Our Advertising segment, Inking Mind, is new-age advertising agency with special focus on both traditional [print] and contemporary [digital, social marketing] advertising. We also have a fully-functional security services company, Black Commando, which exhibits next-level security measures to protect organizations and institutions. All in all, the company has been a destination for happiness for customers and investors alike for many years and looks forward to maintain the status quo for decades to come.

COMPANY BACKGROUND

Mr. Syed Rafi Ishaq founded Dream India Group in 2009. Inspired by the dream and entrepreneurial drive of its founders, the company has grown exponentially since its inception to becoming an important player in the Real Estate Industry. Today Dream India Group takes pride in being a premier real estate development company that has successfully turned the dreams of people across the length and breadth of our state of Telangana into reality. Our commitment to quality has brought us the membership of the Federation of Chamber of Commerce and ISO 9001:2008 certification. Now we are more than prepared to carry Dream India's legacy forward by continuing to advance in various industries with customer satisfaction at the centre of our goals.

MISSION

Our mission statement is simple yet effective. We aim to make the purchase of a freehold property as cost efficient as possible while upholding the highest level of service. The focus has not just been on construction of property, but also the realization of our customer's dreams.

With the city slated to startle new developments in the future, we recognize the need to extend our services to the elite class of Hyderabad. Last few years has seen immense changes along with ample opportunities to invest in Hyderabad; be it plots, new styled homes, start-up companies, various government projects, etc.

Keeping the above and many other reasons in mind; along with our current projects, we have announced our latest venture in the heart of Banjara Hills – 'The Valencia' – as a symbol of your status and success. With our latest offering, the Group would have come full circle by being a provider of freehold property solutions to every class of individual looking to purchase or invest in their dream home.
