85 Avenue THE BRIEF

- This is a vision crafted to ensure recreation with advancement. The project offers ample features in terms of accessible location as well as contemporary and cutting edge architectural solutions.
- It has a magnificent combination of exclusive design and world class amenities.
- This project has been drafted to match international standards and is gratifying in terms of lavish lifestyle.
- Its a significant area for investment in real estate having vast potential for robust growth in the coming years.
- Situated in the suburban region known as New Gurgaon, this stupendous architectural marvel is poised to become a landmark development.
- This new corridor in proximity with the Pataudi Road, has earned prominence due to its accessibility from National Highway – 8 (NH-8) and Dwarka expressway and easy reach to Industrial Model Township (IMT) Manesar.
- Sector 85 Gurgaon is strategically located on 157 meters wide road, which is just 1 km from Dwarka expressway and is next to commercial Sector 88, which is a future market for enterprise.

Other felicitated projects like **ORRIS, VATIKA, MAPSKO, DLF, EMAR MGF, SS GROUP, BESTECH** etc. have been launched here, as it is a future market for sustained profits.
