

Plotted Development, Mathura

LANDSCAPE DESIGN CONCEPT
25.03.25

URBAN CONTEXT

- Mathura, one of the seven sacred cities of India, is renowned for its spiritual and cultural heritage.
- The region's landscape is influenced by riverine ecology, groves, and temple gardens, reflecting Krishna's mythology.
- The project integrates Mathura's rich history with contemporary landscape design, making it a spiritual retreat.

LANDSCAPE CONCEPT

Timeless Tranquility – A Fusion of Spiritual Heritage & Modern Wellness

The flooring, inspired by the graceful curves of the Ganges, weaves a symbolic river-like pattern that guides guests through the lush gardens.

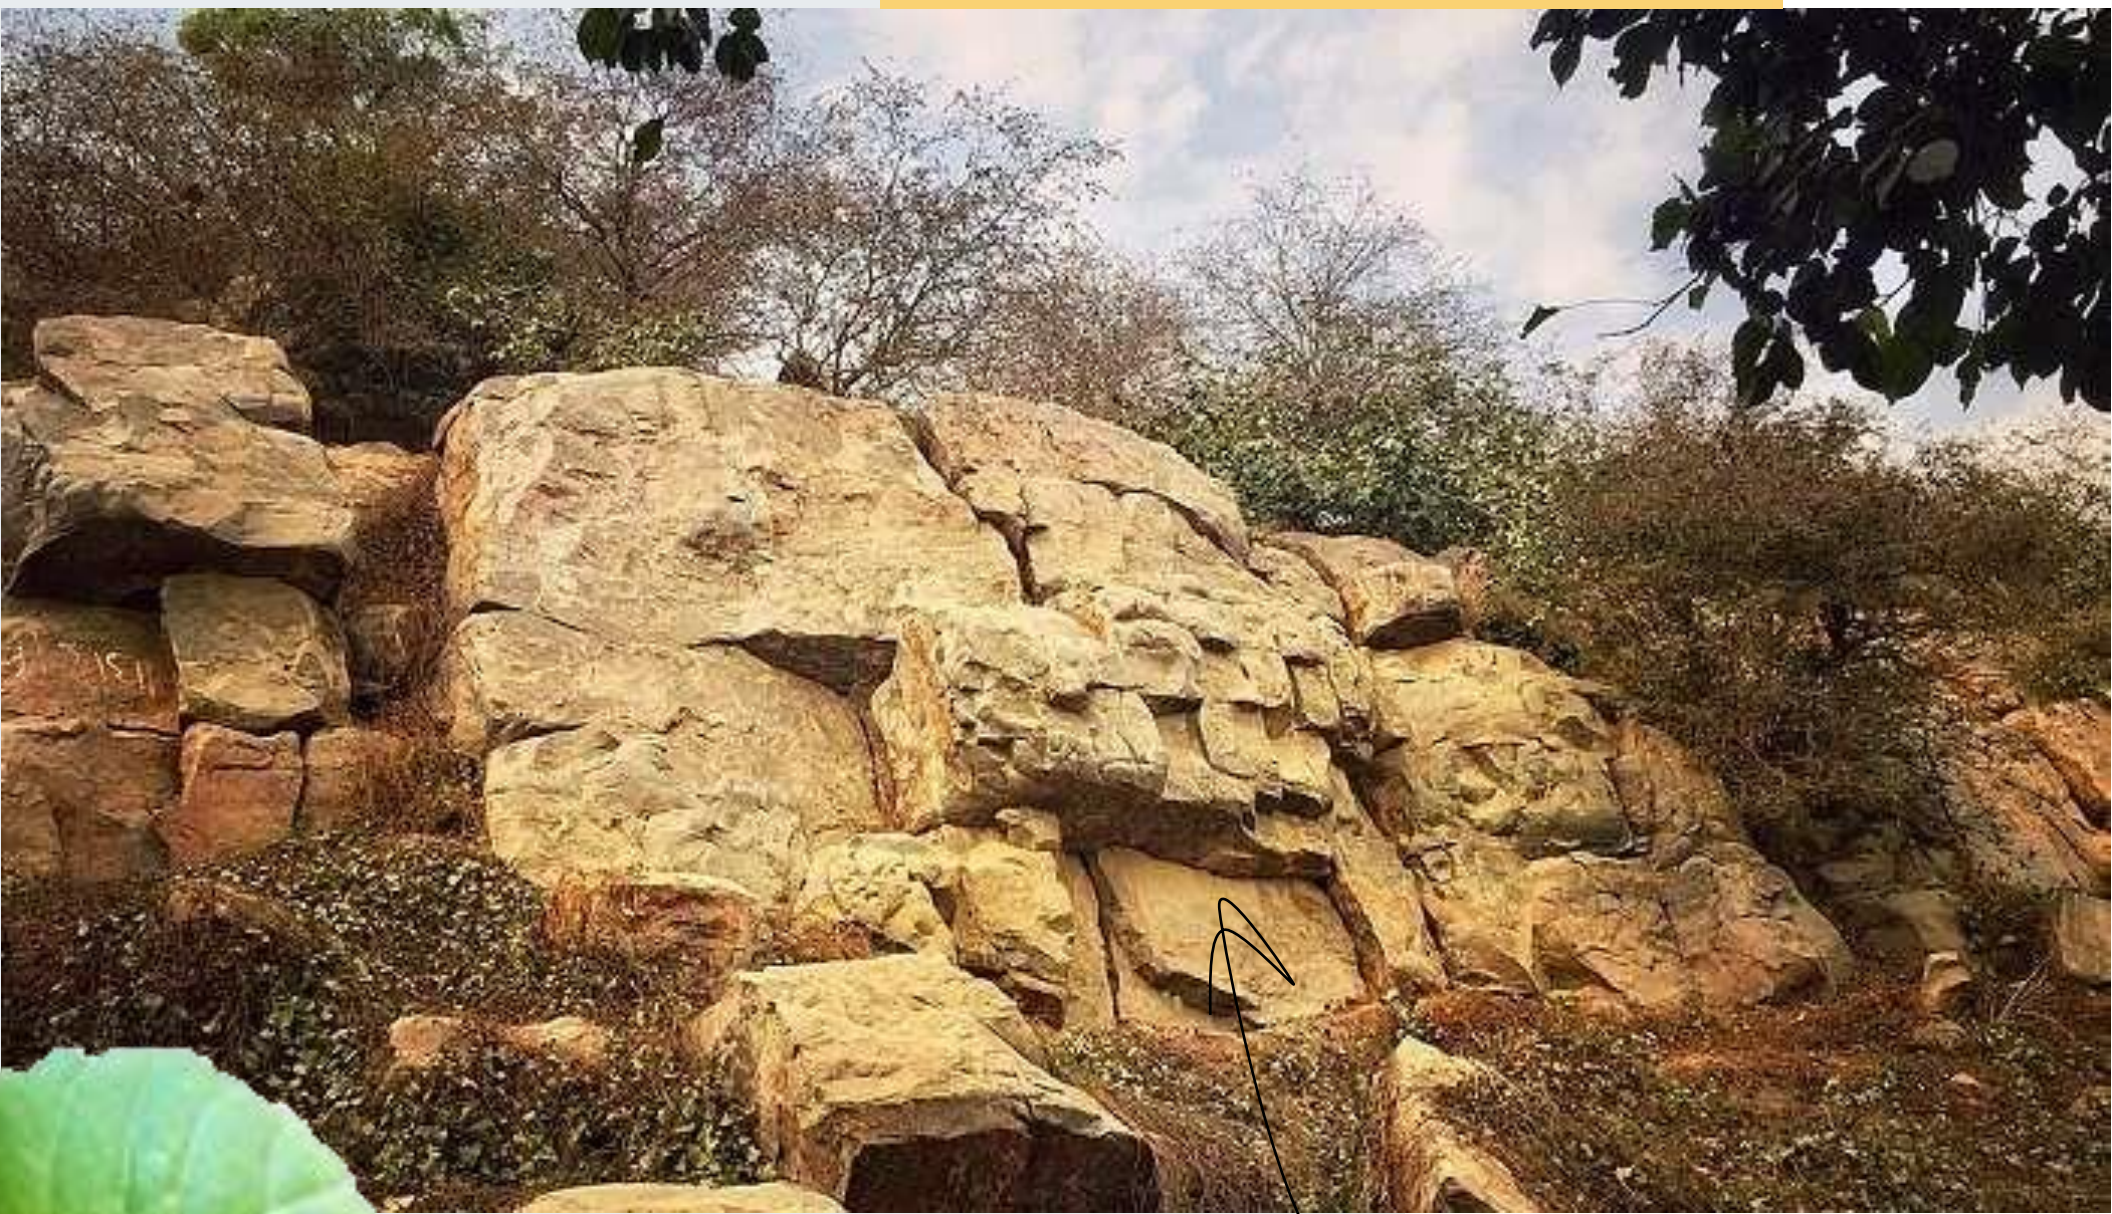

A feature wall with brass metalwork, blending local craftsmanship with contemporary design

Sanjhi Art, with its intricate stencil patterns and deep connection to Krishna's stories, can add a unique artistic and cultural touch to the township's landscape

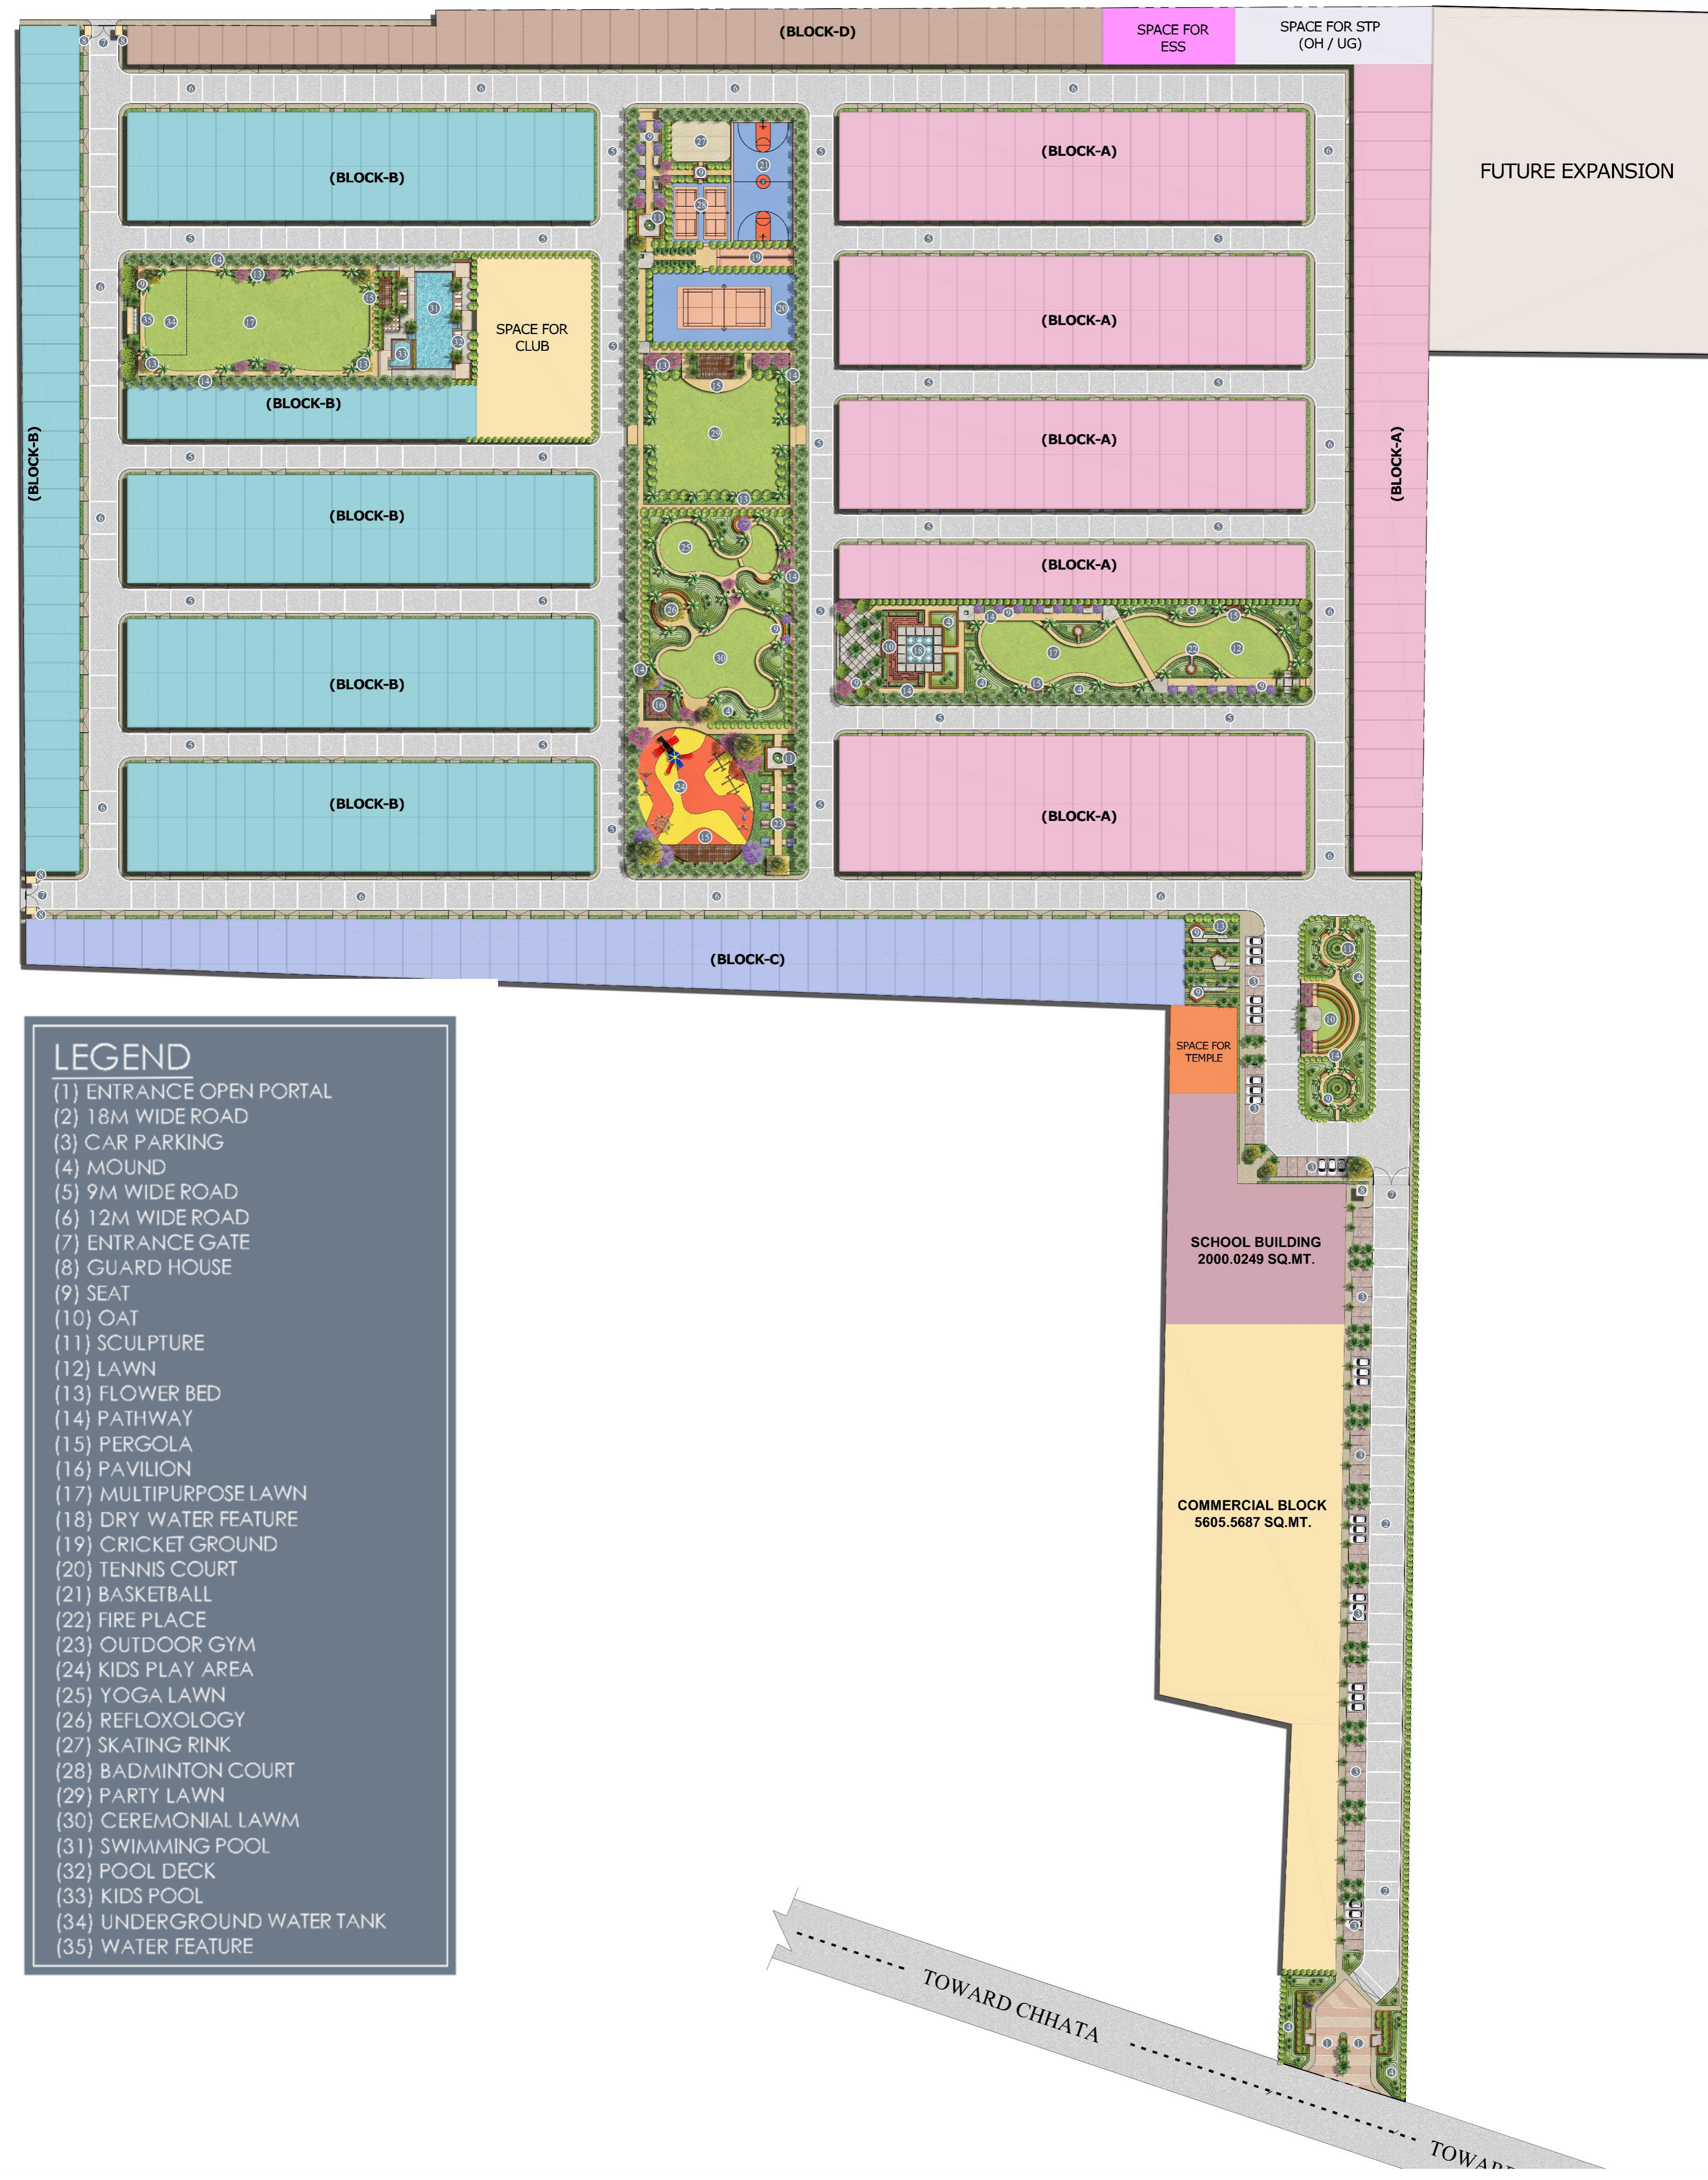

Kund-style seating areas inspired by Mathura's ancient water bodies will serve as serene gathering spaces for meditation, storytelling, and community interactions.

Govardhan-inspired landscape feature: Seating nooks & meditation zones carved into the rocky landscape

Tulsi Plant - The immortal tree of Vrindavan (Nidhi Van)

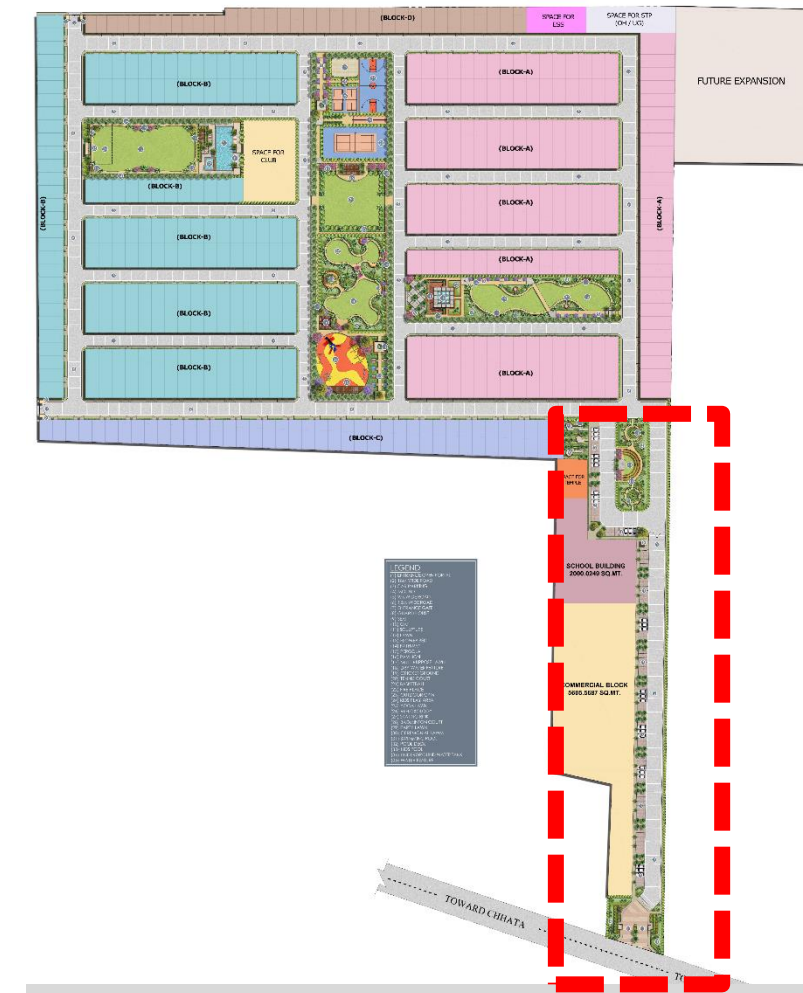

Lush green boulevards lined with **native trees like Kadamba**, evoking a sacred ambiance.

Mounds Depicting Gowardhan giri, also creating an enclosure kind of entrance

Soft **ambient lighting** and **stone paving with artistic engravings/pattern** enhance the **luxurious feel**.

The grand entrance sets the tone for an exclusive, **A majestic gateway** adorned with intricate Sanjhi art patterns, brass inlays, and traditional motifs inspired by Mathura's heritage.

PATHWAY

Pocket Park A – The Sacred Gathering Space

A serene community space designed for cultural gatherings, storytelling, and spiritual discourses.

Positioned in front of the temple, seamlessly connecting devotion, culture, and community interaction.

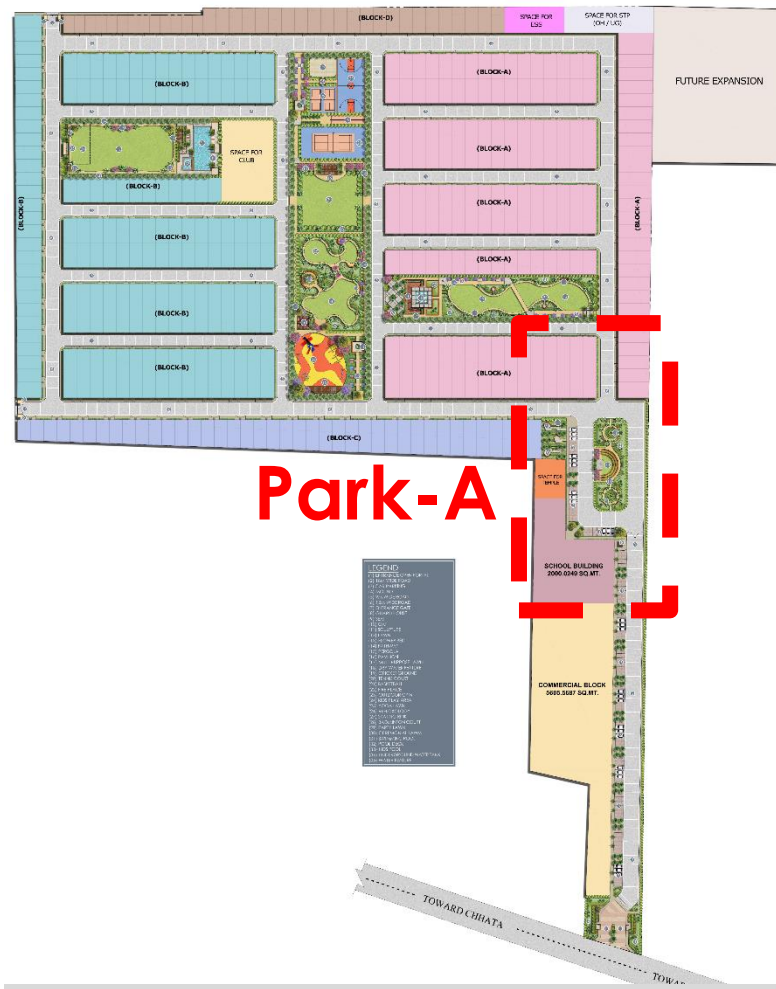

The circular seating area, nestled within a gentle earth mound, creates an intimate and tranquil ambiance.

A semi-circular amphitheater (oat) with a stage, ideal for devotional performances, bhajans, and community events.

A **feature wall** at the back of the stage, adorned with **Sanjhi art motifs**, Krishna leelas, **or temple-inspired carvings**, adding depth to the spiritual experience.

Lush **native planting and shaded trees** around the park ensure a cool and calming environment.

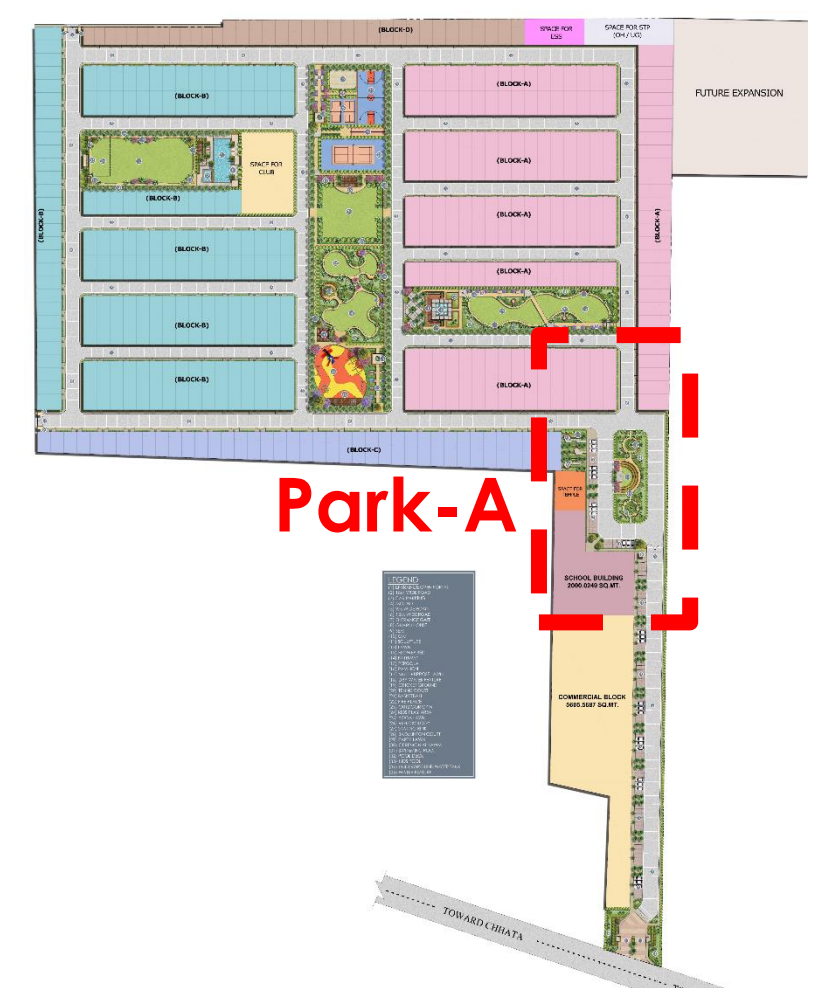

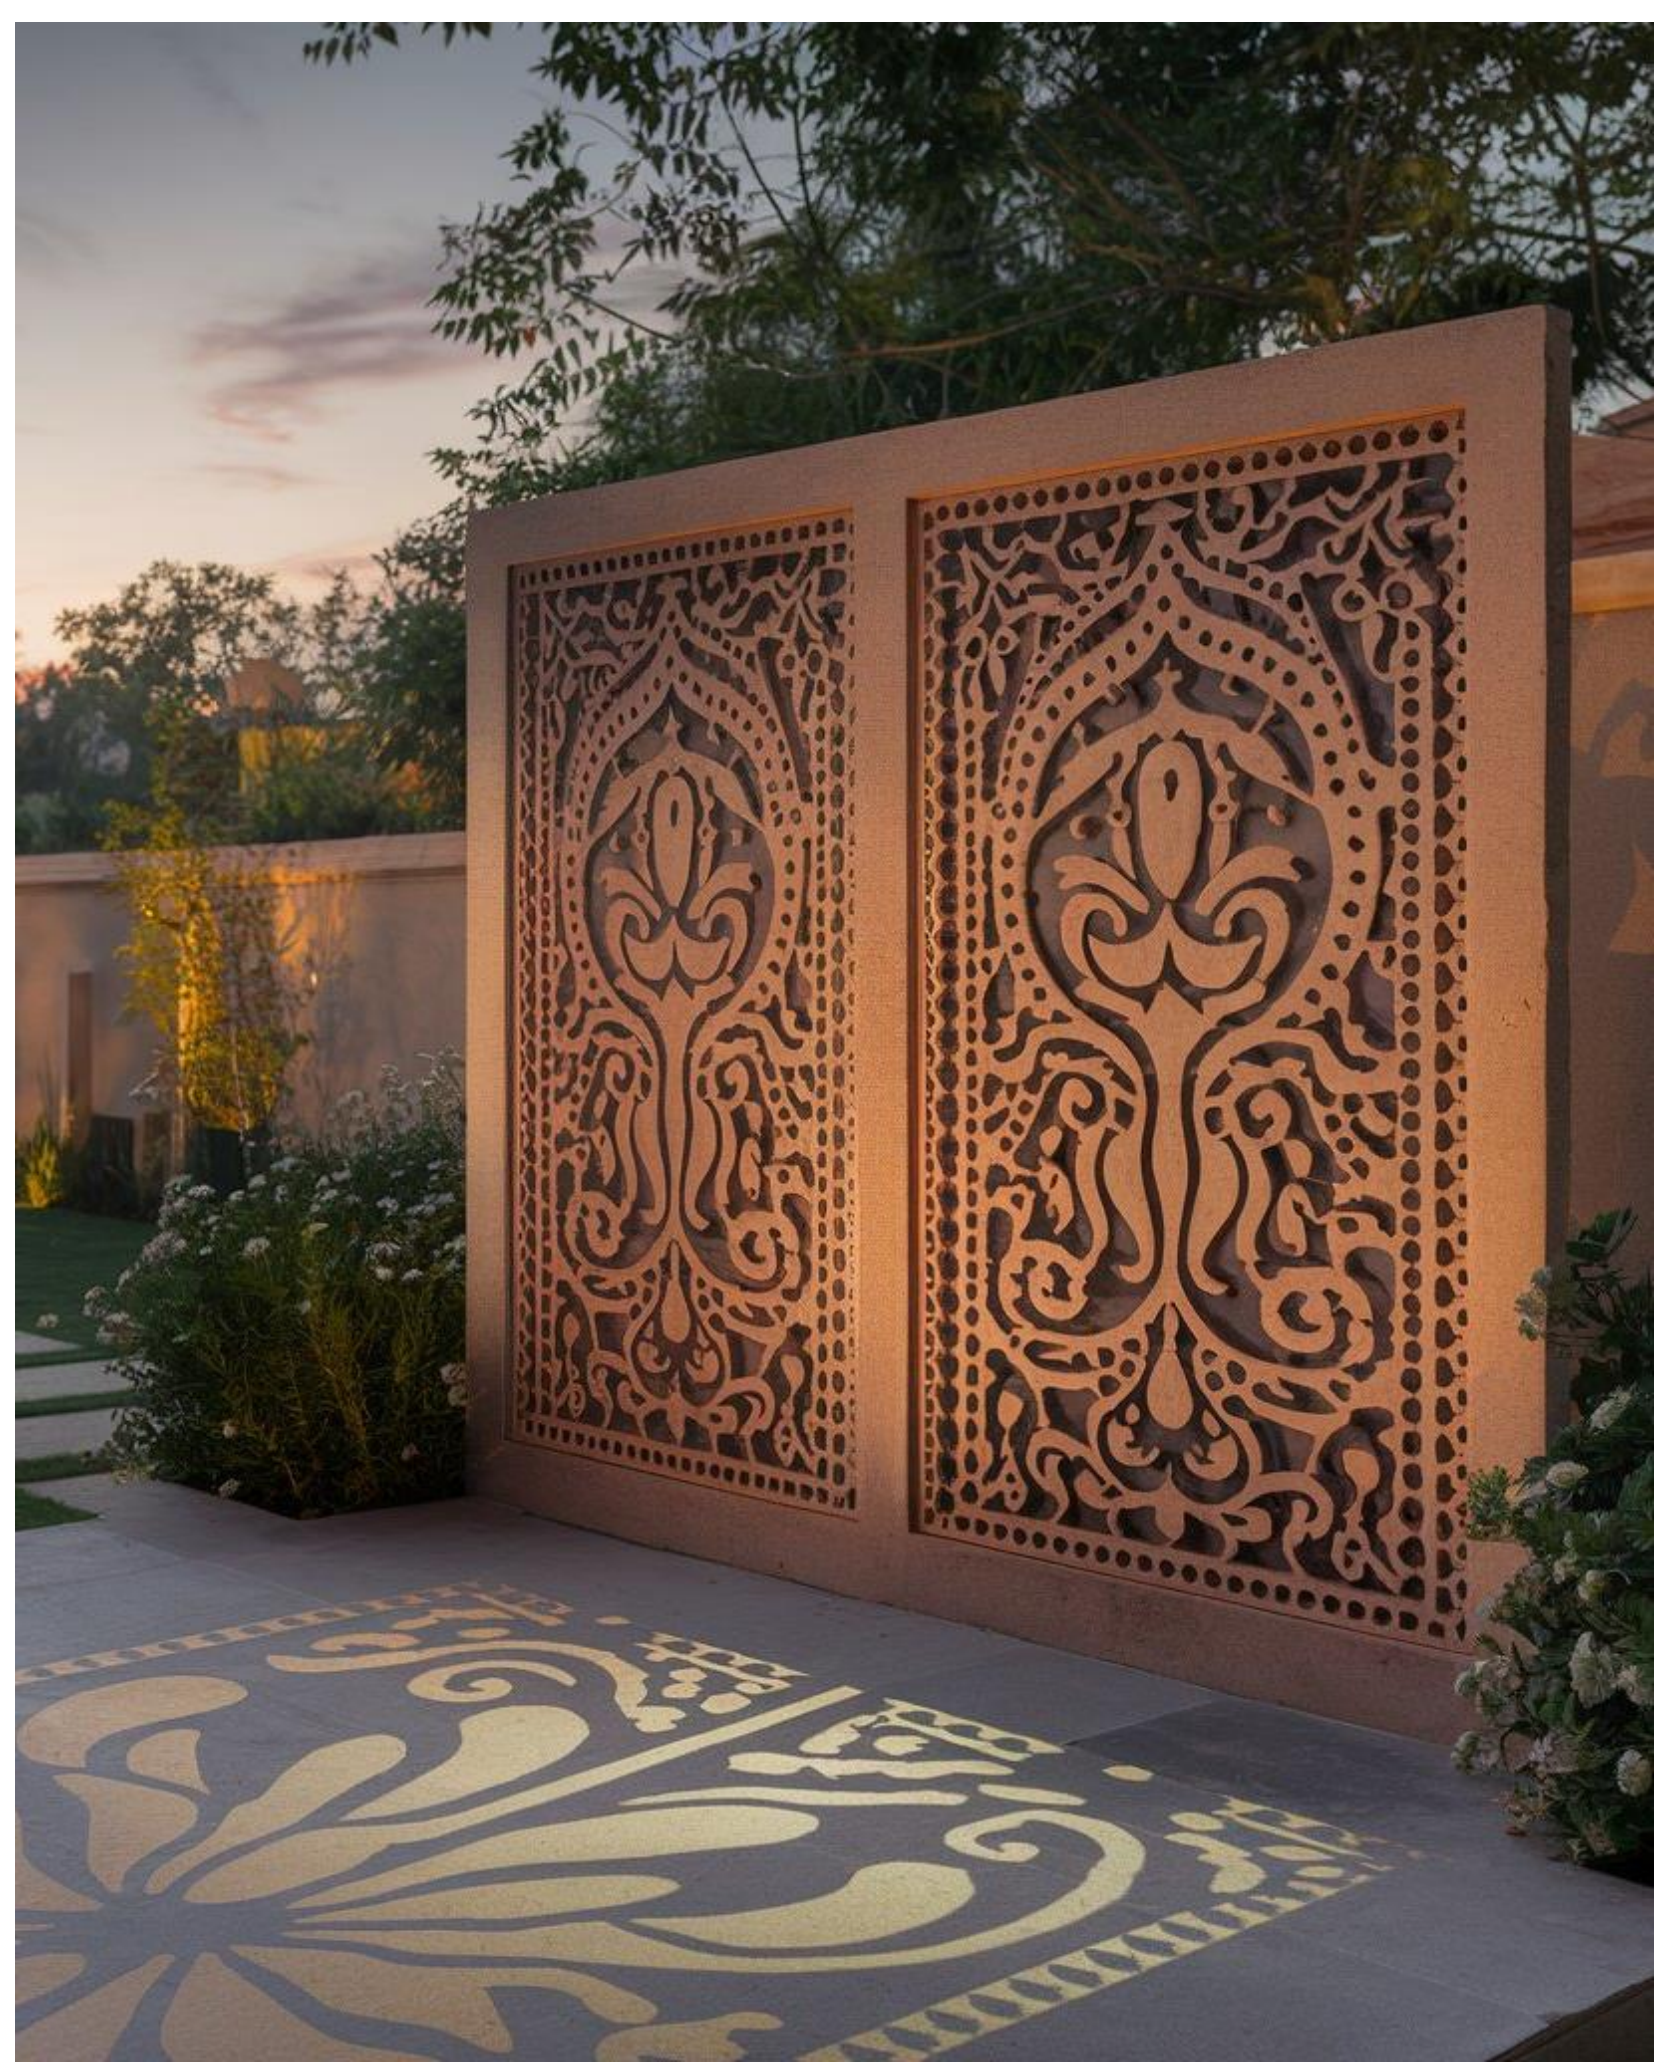

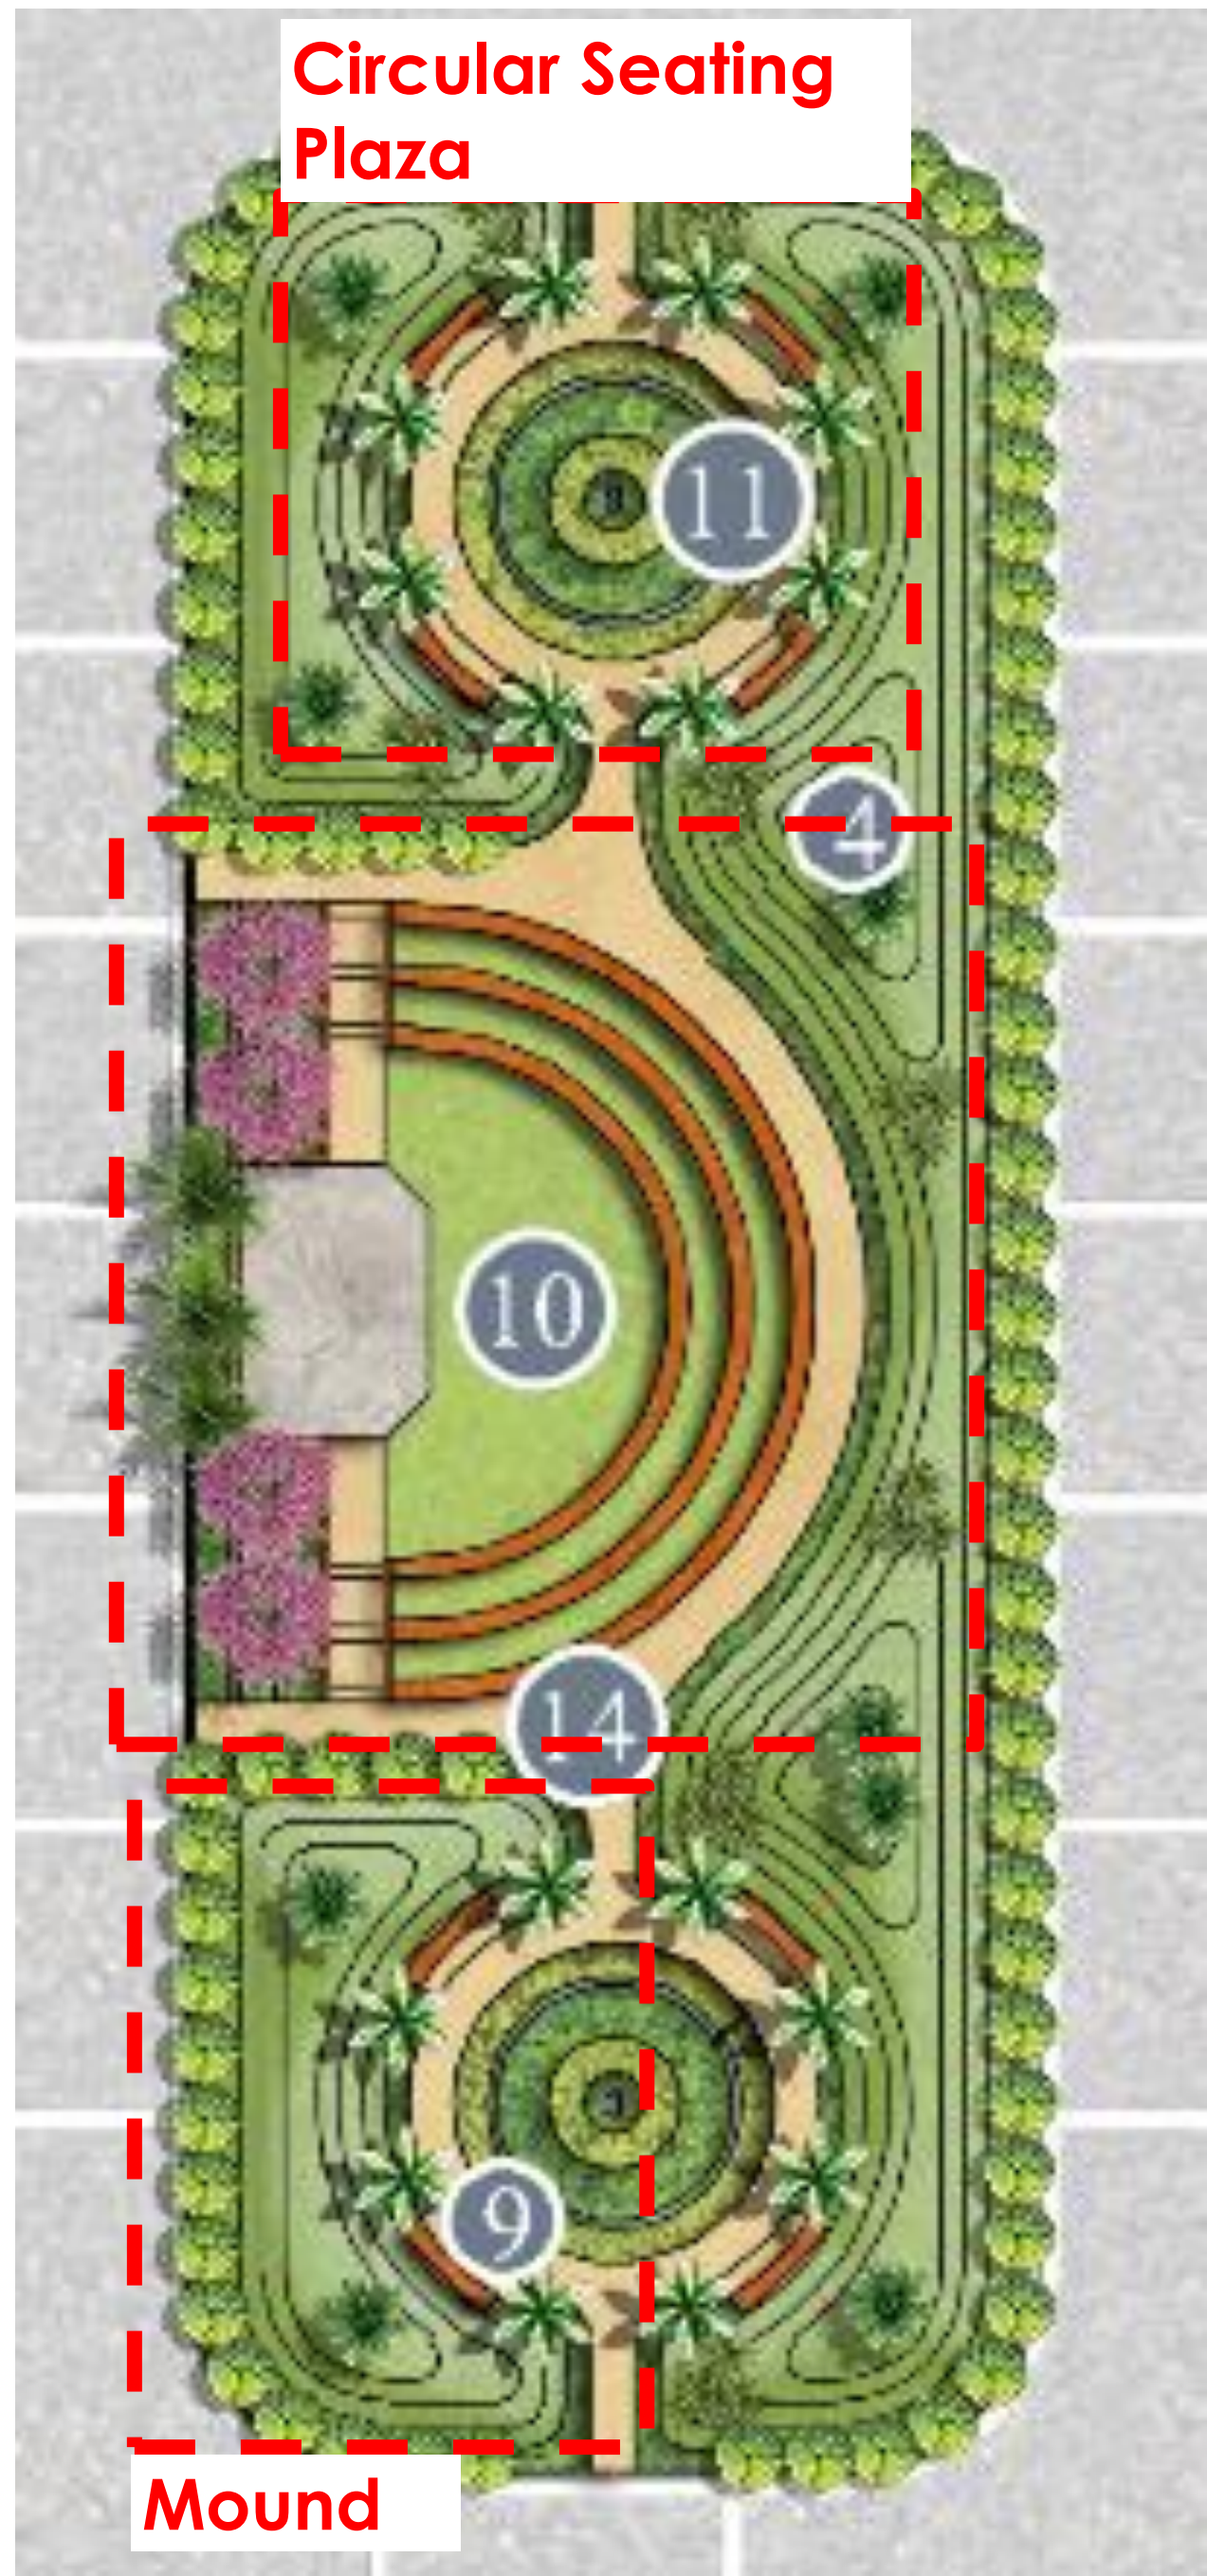

Soft lighting and brass lamp posts enhance the space for evening events and spiritual gatherings.

Pocket Park B – The Sacred River & Mountain Inspired

A series of sculpted mounds along the park's edge, adding depth, visual interest, and a sense of enclosure.

Circular seating nooks carved into a mound, inspired by the rocky formations of Govardhan Mountain, creating cozy meditation and storytelling spaces

A meandering peripheral pathway, depicting the curvilinear shape of the Yamuna River, organically guiding visitors through the park.

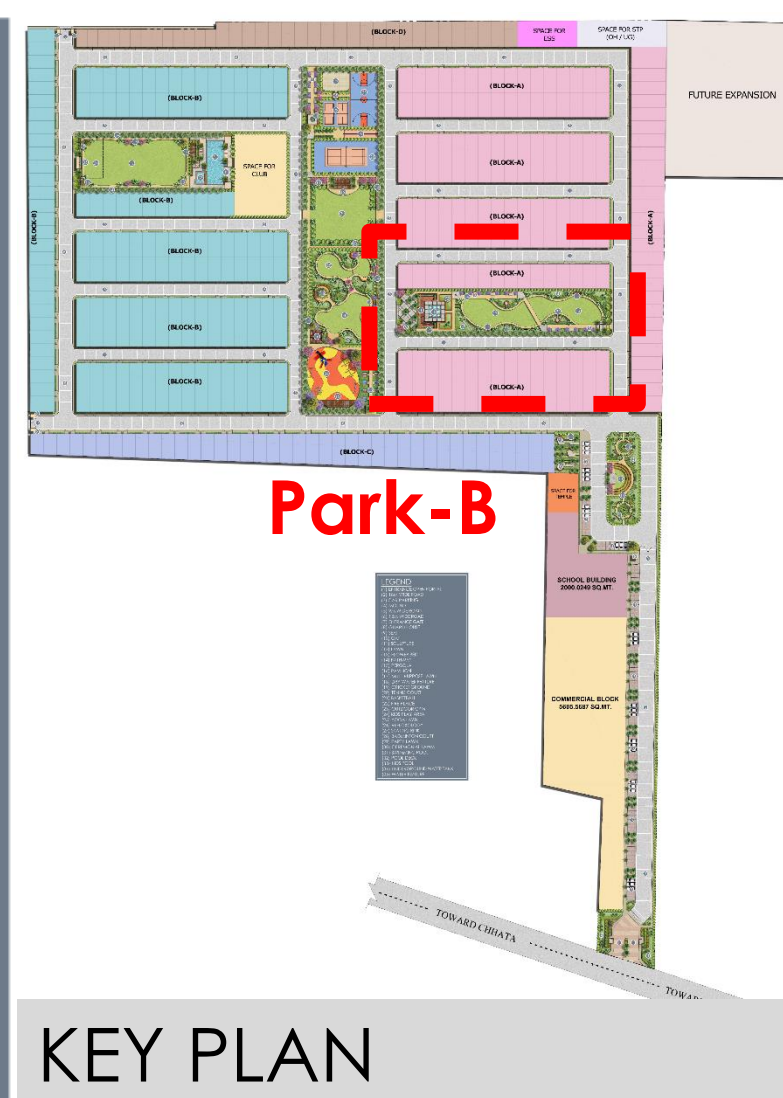

A **Palm Court** providing shaded, breezy space, enhancing the park's ambiance.

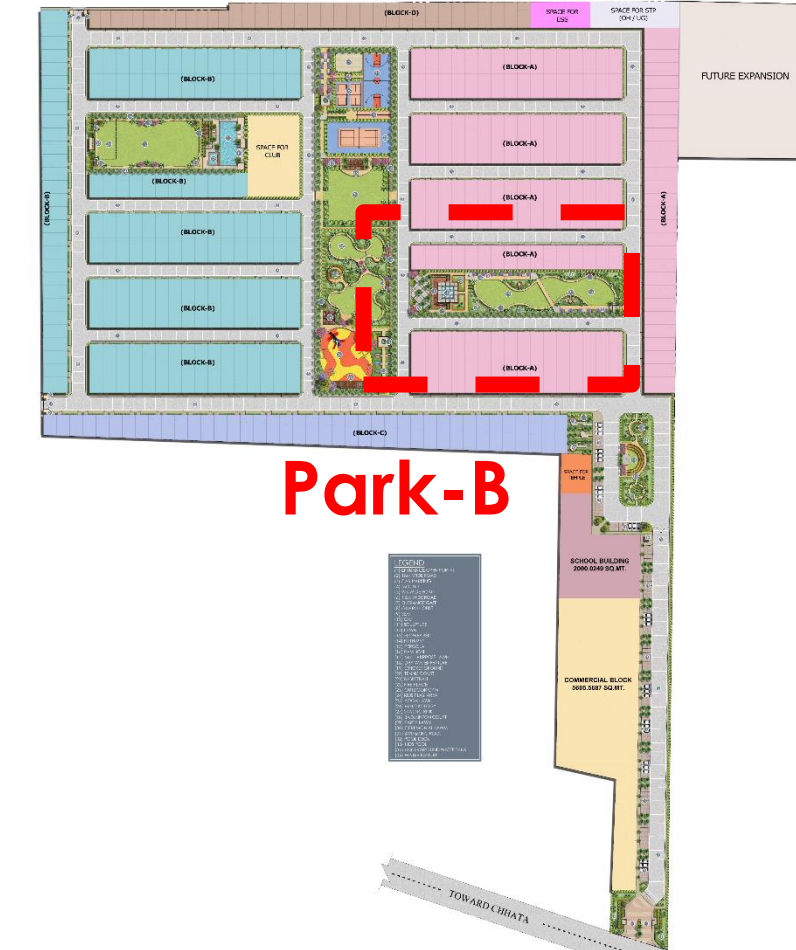

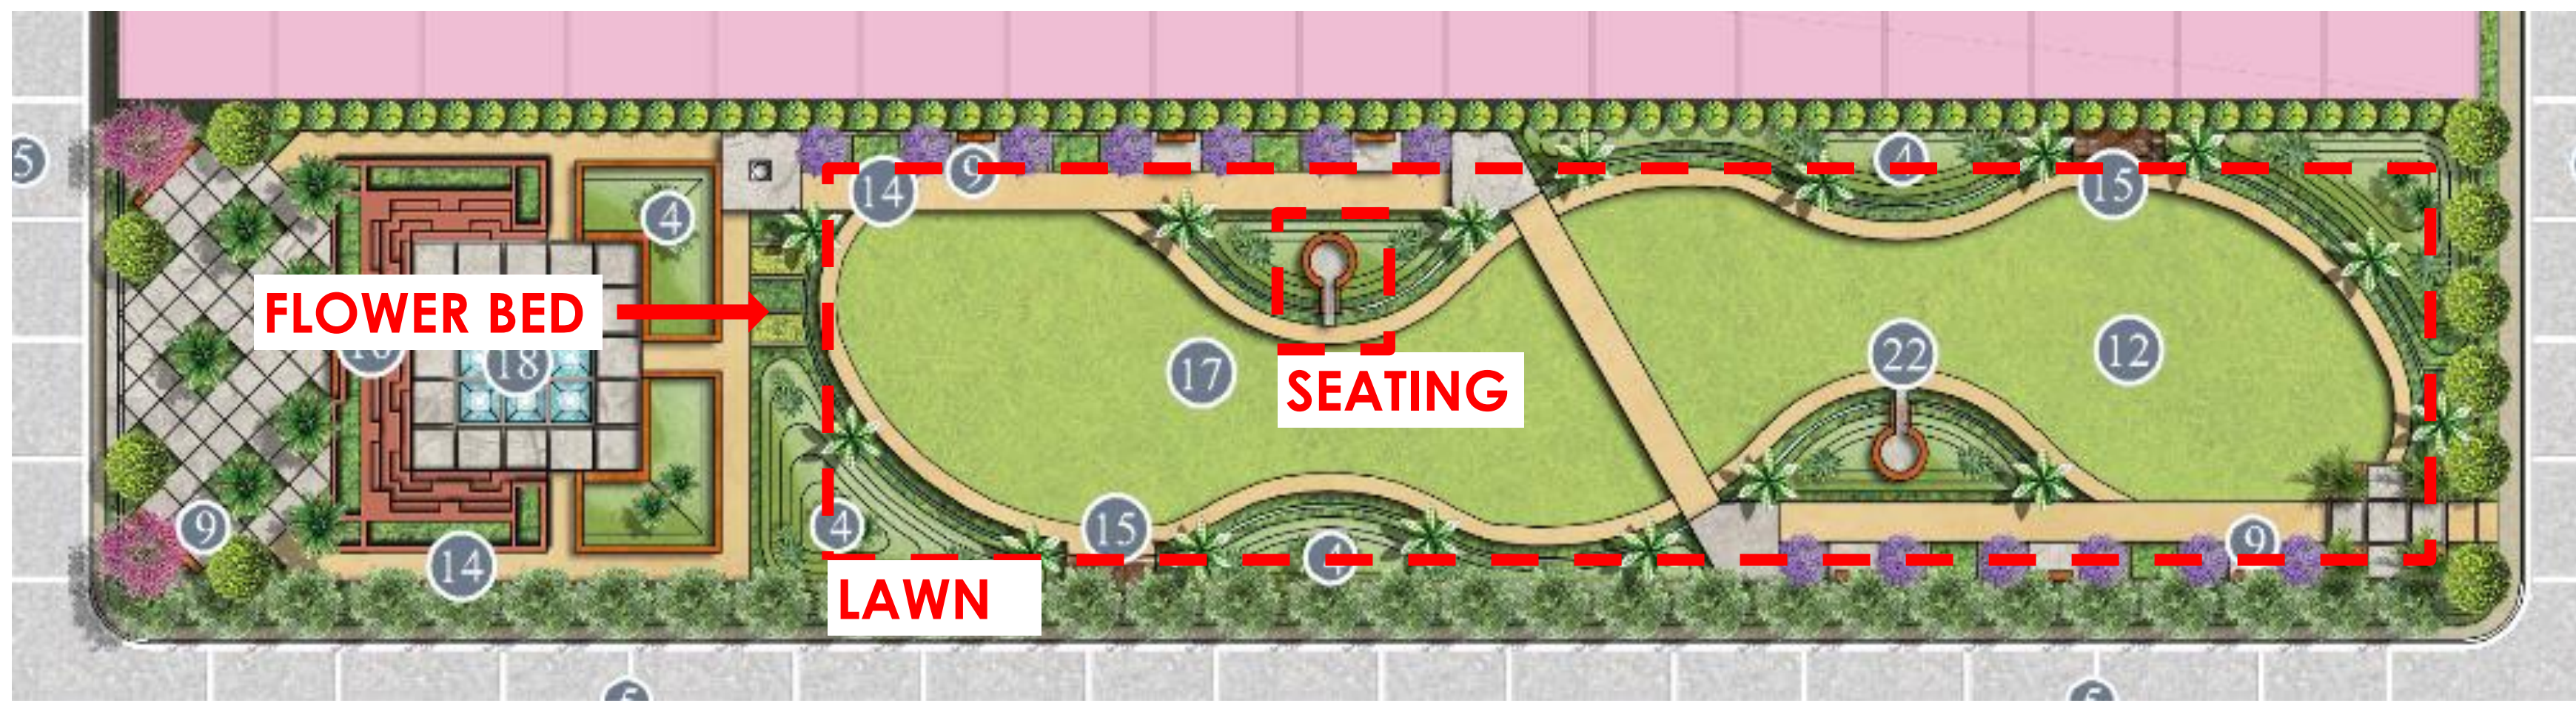

A **Kund-like stepped seating area** facing a **dry water fountain**, reminiscent of the ancient water structures of Mathura and Vrindavan, offering a tranquil gathering spot.

A **multipurpose lawn**, naturally defined by the winding pathway and enclosed by **gentle landforms**, ideal for yoga, spiritual discourses, and recreational activities.

Lush and dense planting, integrating **fragrant native flowers, sacred trees, and layered greenery**, creating a biodiverse, immersive experience.
