## About us

Jamston India Pvt Ltd is an infrastructure development and real estate company, incorporated under The company comprises of an efficient management team, who are continuously working to provide value for money to its customers, by timely delivery of quality services at reasonable prices.

We are pleased to announce that we have launched a new project (**Rise Valley**) in the vicinity of Noida International Airport & YIEDA Industrial Hub.

# Jewar International Airport

## The biggest airport of Asia

Jewar International Airport is also known as the Noida International Airport. It is one of the upcoming International Airport in Uttar Pradesh. The airport is being constructed in the town named Jewar in Gautam Buddha Nagar district.

The town is located in the suburbs of Greater Noida near the Northeast bank of the Yamuna River.

Once operational, the Jewar Airport will serve the National Capital Region while becoming an alternative airport for the Indira Gandhi International Airport. Jewar Airport construction work started in June 2022 and is still in progress.

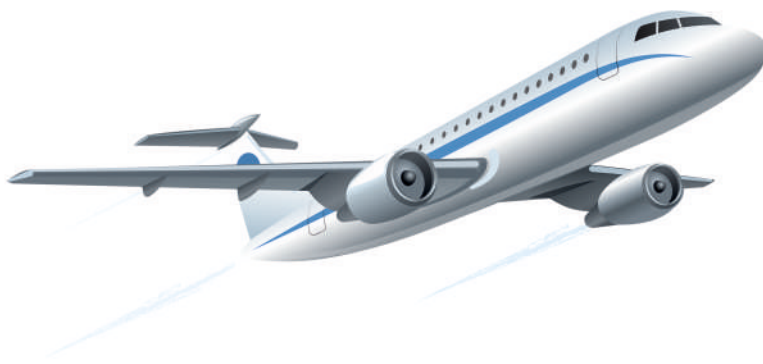

The airport is expected to be operational in April 2024.

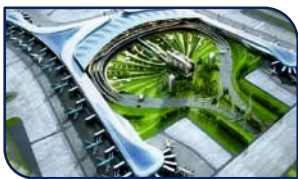

# Project Highlights
