HR GANGA CITY

**METRO-CLASS
LIVING IN
EMERGING TOWNS**

An integrated township near the Ganga Ji offers a seamless blend of traditional charm and modern comfort, with plots ranging from 100 to 250 sq. yds. set within a secure, gated community. Here, residents can enjoy an array of premium amenities including a well-equipped clubhouse, a bustling shopping complex, and playful children's areas. The tranquility of the location is enhanced by a dedicated temple and a soothing musical fountain, culminating in the serene atmosphere of Garhmukhteshwar.

24-Hour Gated Security

Security is a top priority at HR Ganga city . The entire township is enveloped in a secure, gated environment, ensuring peace of mind for all residents. The 24-hour security system includes surveillance cameras, well-trained security personnel, and controlled access points to keep the community safe at all times.

Modern Clubhouse

The clubhouse at HR Ganga city is designed to be the heart of social and recreational activities. It offers a wide range of amenities, including:

- Swimming pool
- Indoor and outdoor games
- Fitness Center
- Yoga and meditation facilities

Shopping Complex

The on-site shopping complex is designed to meet the everyday needs of residents. It houses a variety of stores, including grocery shops, boutiques, and essential service providers, making daily shopping convenient and accessible without having to leave the township.

Green Parks and Kids Play-Area

Children are given special attention with dedicated play areas and parks within the township. These spaces are designed with safety and fun in mind, featuring modern playground equipment and open spaces where children can play, explore, and socialize.
