About DNS Group

The DNS GROUP has been in the real estate industry since 1980 and has been investing, aggregating, managing and trading in properties across the length and breath of Tamil Nadu and several other states of India. Therefore, with rich experience and expertise, it had ventured into the business of land promotion and construction with the sole intention of providing highest value to its esteemed customers.

Aptly, at DNS Group the belief is that work is worship and working is the true form of worshipping the almighty. And therefore, it is the core belief of the Group that solely through the execution of our vision that we can bring change, prosperity and progress in our lives and in that of our society.

Over the decades DNS GROUP has sailed through many turbulences and challenges and continue to stand as tall as ever. The banyan foundation of the group was laid and steered by its most competent and enterprising leader Mr. N. K. Surana and now forcefully led by Mr. Dinesh N Surana as a capable leader, engraved with the grit and passion of taking forward the rich heritage and legacy of the Group.

It is this thirst and pursuit that has led to the current offering, DNS SHINE which is developed with the utmost responsibility and perfection to detail, with the intention to deliver the best possible residential property to you in a world class-society.

The DNS Pledge

On a mission to exploit our expertise and elevate the dwelling needs of the society and to encourage and emphasise on the advantages of sustainable living. The DNS GROUP is committed to redefine the attributes of contemporary urban living.

The DNS Advantage

DNS GROUP redefines the urban landscapes with world-class townships that offer best living experience. Every amenities and specifications are meticulously designed with an extra heart for detail and perfection. No stone is left unturned when it comes to offering the better than the best. As an organisation that is devoted to customer interests and committed to high business ethics and values, the investment, is buying a property and peace of mind.

Plotting Your Future

The dream of owning a land is deeply ingrained in many of us. However, owing to the escalating property prices, particularly in city limits, achieving that dream can feel increasingly out of reach. This is where investing in approved residential plots emerges as a strategic and potentially stable choice.

An approved residential plot offers a more affordable entry point into the property market with a potential for significant future value, allowing you to build your dream home at your own pace. This strategic investment is a stepping stone towards financial freedom and a tangible asset that appreciates over time.

As cities expand and population grow, the demand for land naturally increases, driving up plot prices. This appreciation benefit can be huge, especially the choice of the plot offered in a developing area like Kundrathur, with A- Grade infrastructure as offered in our proud offering, DNS SHINE, give you the DNS EDGE. Owning these plots also provides a hedge against inflation, as the value of the plots will rise manifold, compared to the cost of living.
