A detailed illustration of a modern residential community's outdoor space at dusk. The scene is filled with people of various ages engaged in social activities. In the foreground, several people are seated on ornate, dark-colored sofas with light-colored cushions, some talking and others reading. The ground is paved with large, light-colored stone tiles, some featuring intricate geometric patterns. In the middle ground, there's a central area with a small fountain and a white, domed gazebo. To the right, another larger, more ornate gazebo with a fountain is visible. The background shows multi-story apartment buildings with lit windows, suggesting an evening setting. The overall atmosphere is warm and inviting, with soft lighting from street lamps and building windows. A decorative white wavy line runs across the bottom of the image.
